

Rescission proposal no. R25–22

Agency: CORPORATION FOR PUBLIC BROADCASTING

Account: Corporation for Public Broadcasting (020–0151 2027/2027)

Amount proposed for rescission: \$535,000,000

Justification:

This proposal would rescind \$535 million, the full amount appropriated in FY 2025 for the Corporation for Public Broadcasting (CPB) in advance for FY 2027. CPB's base appropriation is disbursed to the public radio and public television systems in accordance with a statutory formula outlined in the Public Broadcasting Act of 1967, as amended. These funds would be used to subsidize a public media system that is politically biased and an unnecessary expense to the taxpayer. Enacting the rescission would eliminate Federal funding for CPB.

This collection will include a pre-post Participant Survey, an Arts Engagement Facilitator Survey, and interviews with grantees, partners, arts engagement facilitators, and program participants. Data collection activities will occur with two grantee cohorts between July 2025 and July 2027. Evaluation results will provide actionable evidence to support current and future iterations of the grant program and Creative Forces Community Engagement (CFCE) grantees.

The Creative Forces®: NEA Military Healing Arts Network seeks to improve the health, well-being, and quality of life for military and veteran populations exposed to trauma, and for their families and caregivers through clinical and non-clinical programs (<https://www.arts.gov/initiatives/creative-forces>). Creative Forces is funded through Congressional appropriation. The Congressional Committee on Appropriation “supports the NEA’s continued efforts to expand upon this successful program to embed Creative Arts Therapies at the core of integrative care efforts in clinical settings, advance collaboration among clinical and community arts providers to support wellness and reintegration efforts for affected families, and advance research to improve our understanding of impacts of these interventions in both clinical and community settings.”

Creative Forces is a key element for meeting the NEA’s FY 2022–2026 Strategic Plan Strategic Objective 2.1: Support Arts Projects with a Focus on Advancing the Health and Well-Being of Individuals. As noted in this strategic objective, the CFCE Grant Program:

“... aims to improve the health, well-being, and quality of life for military-connected

populations. . . The lessons learned from implementing Creative Forces will inform other strategies to advance individual health and well-being through the arts. The networking, technical assistance, and the evaluation and learning that occur across the Creative Forces program are typical of the field-building activities necessary to realize this strategic objective for broader population groups. At the federal level, the NEA models this knowledge transfer by leading the Interagency Task Force on the Arts and Human Development, which meets quarterly to examine research projects and evidence-based practice at the intersection of the arts, health, and human development.”

Having announced the CFCE program in 2020, Creative Forces began awarding Community Engagement Grants in 2022 to support non-clinical arts engagement programming for military-connected populations through matching grants of \$10,000 to \$50,000 for emerging (“Emerging”) and established (“Advanced”) community-based arts engagement projects to serve military-connected populations. The grant program supports a range of program models (e.g., ongoing class, drop-in studio, single event) designed to meet local needs. It is the largest coordinated effort in the U.S. to provide community arts engagement programming for military and veteran populations exposed to trauma, and for their families and caregivers. The Creative Forces Community Engagement Grant Program is conducted in partnership with Mid-America Arts Alliance (M-AAA).

This is a new Information Collection Request for data collection across two grantee cohorts from July 2025 to July 2027. The evaluation uses a mixed-methods approach, incorporating quantitative and qualitative data from primary and secondary sources. The evaluation will incorporate data from all grantees.

Dated: June 4, 2025.

Deputy Director, Office of Administrative Services & Contracts, National Endowment for the Arts.
