

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act²³ and Rule 19b-4(f)(6)²⁴ thereunder. The Exchange has requested that the Commission waive the 30-day pre-operative waiting period contained in Exchange Act Rule 19b-4(f)(6)(iii)²⁵ so that the Exchange may implement the change no later than February 28, 2011 to coincide with the compliance date for the amendments to Rules 200(g) and 201 of Regulation SHO. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because the proposed rule change, among other things, implements the amendments to Rules 200(g) and 201 of Regulation SHO which have a February 28, 2011 compliance date.²⁶ For this reason, the Commission designates the proposed rule change to be operative upon filing with the Commission.²⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

This notice includes a revision and an extension to OMB-approved information collections.

SSA uses the information to verify the requestor's right to access the information and to produce the earnings statement. The respondents are wage earners and their authorized representatives.

Type of Request: Revision of an OMB-approved information collection.

Number of Respondents: 60,400.

Frequency of Response: 1.

Average Burden per Response: 11 minutes.

Estimated Annual Burden: 11,073 hours.

2. *Methods for Conducting Personal Conferences When Waiver of Recovery*

of a Title II or Title XVI Overpayment Cannot Be Approved—20 CFR 404.506(e)(3), 404.506(f)(8), 416.557(c)(3), and 416.557(d)(8)—0960-0769. SSA conducts personal conferences when we cannot approve a waiver of recovery of a title II or title XVI overpayment. Social Security beneficiaries and Supplemental Security Income (SSI) recipients have the right to request a waiver of recovery and automatically schedule a personal conference if we cannot approve their requests for waiver of overpayment. We conduct these conferences face-to-face, by telephone, or by video teleconference.

Social Security beneficiaries and SSI recipients, or their representatives, may provide documents to demonstrate they are without fault in causing the overpayment and do not have the ability to repay the debt. They may submit these documents with Form SSA-632 (OMB No. 0960-0037) Request for

Waiver of Overpayment Recovery; Form SSA-795 (OMB No. 0960-0045), Statement of Claimant or Other Person; or personal statement submitted by mail, telephone, personal contact, fax, or e-mail. This information collection satisfies the request requirements for waiver of recovery of an overpayment and allows individuals to pursue an administrative appeal via personal conference. We use the information to determine whether to grant or deny a waiver request. Respondents are Social Security beneficiaries and SSI recipients or their representatives seeking reconsideration of an SSA waiver decision. Note: This is a correction notice. When SSA published the 60-day **Federal Register** Notice for this collection on December 22, 2010 at 75 FR 80563, the burden figures we reported were correct at that time. However, we have since received updated burden data that we are reporting in the new burden chart below

Title/section and collection description	Number of respondents	Frequency of response	Average burden per response (minutes)	Total annual burden (hours)
Personal conference 404.506(e)(3) and 404.506(f)(8) submittal of additional documents for consideration at personal conferences.	50,000	1	30	25,000
