DEPARTMENT OF TRANSPORTATION

RESEARCH AND SPECIAL PROGRAMS ADMINISTRATION

Office of Hazardous Materials Safety; Notice of Application for Modification of Exemption

AGENCY: Research and Special Programs Administration, DOT.

ACTION: List of applications for modification of exemptions.

SUMMARY: In accordance with the procedures governing the application for, and the processing of, exemptions from the Department of Transportation's Hazardous Materials Regulations (49 CFR part 107, Subpart B), notice is

hereby given that the Office of Hazardous Materials Safety has received the applications described herein. This notice is abbreviated to expedite docketing and public notice. Because the sections affected, modes of transportation, and the nature of application have been shown in earlier **Federal Register** publications, they are not repeated here. Requests for modifications of exemptions (*e.g.* to provide for additional hazardous materials, packaging design changes, additional mode of transportation, *etc.*) are described in footnotes to the application number. Application numbers with the suffix "M" denote a modification request. These applications have been separated from the new applications for exemptions to facilitate processing.

DATES: Comments must be received on or before December 29, 2000.

ADDRESS COMMENTS TO: Records Center, Research and Special Programs

Administration, U.S. Department of Transportation, Washington, DC 20590.

Comments should refer to the application number and be submitted in triplicate. If confirmation of receipt of comments is desired, include a self-addressed stamped postcard showing the exemption number.

FOR FURTHER INFORMATION: Copies of the applications are available for inspection in the Records Center, Nassif Building, 400 7th Street SW, Washington, DC or at <http://dms.dot.gov>.

This notice of receipt of applications for modification of exemptions is published in accordance with Part 107 of the Federal hazardous materials transportation law (49 U.S.C. 5117(b); 49 CFR 1.53(b)).

Issued in Washington, DC, on December 8, 2000.

J. Suzanne Hedgepeth,

Director, Office of Hazardous Materials Exemptions and Approvals.

DEPARTMENT OF THE TREASURY**Departmental Offices****Privacy Act of 1974, as Amended: System of Records****AGENCY:** Departmental Offices, Treasury.**ACTION:** Notice of alteration of Privacy Act System of Records.

SUMMARY: The Department of the Treasury, Departmental Offices (DO), gives notice of a proposed alteration to the system of records entitled "Personnel Security System—Treasury/DO .004," which is subject to the Privacy Act of 1974, as amended (5 U.S.C. 552a). The system notice was last

published in its entirety on December 17, 1998, at 63 FR 69721.

DATES: Comments must be received no later than January 16, 2001. The proposed alteration will be effective January 24, 2001 unless DO receives comments which would result in a contrary determination.

ADDRESSES: Comments must be submitted to the Department of the Treasury, Departmental Offices, 1500 Pennsylvania Avenue, NW, Room 3180 Annex, Washington, DC 20220. Comments received will be available for inspection at the same address between the hours of 8:30 a.m. and 4:30 p.m. Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Ann Tursic, Office of Security, (202) 622-1120.

SUPPLEMENTARY INFORMATION: The original publication of this system of records concerned the collection of

information relevant to, or necessary for, making suitability, employability retention, or security clearance determinations. The Department is altering this system to: (1) Include the Disclosure and Written Authorization form that is mandated by the amendments to the Fair Credit and Reporting Act; (2) delete the current routine use and add six new routine uses; (3) add contractor employees as a category of individuals covered by the system; (4) create a Treasury-wide notice; (5) add system locations and managers; and (6) revise the retention and disposal of the records on government and contractor employees.

The following notices of systems of records maintained by Treasury bureaus will be deleted on January 24, 2001.
