

February 22, 2024, Commerce issued its final results of redetermination calculating an estimated countervailable subsidy rate of 9.02 percent *ad valorem* for Trina Solar,⁷ and on March 21, 2024, the Court sustained Commerce's *Final Redetermination*.⁸

Timken Notice

In its decision in *Timken*,⁹ as clarified by *Diamond Sawblades*,¹⁰ the U.S. Court of Appeals for the Federal Circuit held that, pursuant to section 516A(c) and (e) of the Tariff Act of 1930, as amended (the Act), Commerce must publish a notice of a court decision that is not "in harmony" with a Commerce determination and must suspend liquidation of entries pending a "conclusive" court decision. The Court's March 21, 2024, judgment constitutes a final decision of the Court that is not in harmony with Commerce's *Final Results*. This notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Results

Because there is now a final court judgment, Commerce is amending its *Final Results* with respect to Trina Solar's countervailable subsidy rate for the period January 1, 2021, through December 31, 2021, as follows:

Verification

From April 1 through 4, 2024, Commerce verified the questionnaire responses of Co May in Vietnam.⁹ We used standard verification procedures, including an examination of relevant sales and accounting records, and original source documents provided by Co May.

Changes Since the Preliminary Results

Based on a review of the record, as well as our verification procedures, Commerce made certain changes to the margin calculations for Co May.¹⁰

Final Results of Review

The estimated weighted-average dumping margin for the final results of this new shipper review is as follows:

Exporter	Weighted-average dumping margin (dollars per kilogram)
Co May Import-Export Company Limited	\$0.00

Disclosure

We intend to disclose the calculations performed for the final results of this review to parties in this proceeding within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Assessment Rates

Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Pursuant to 19 CFR 351.212(b)(1), because Co May's

weighted-average dumping margin is zero, we will instruct CBP to liquidate Co May's entry without regard to antidumping duties. Pursuant to Commerce's assessment practice,¹¹ for entries of Co May's merchandise that were not reported in the U.S. sales data submitted by Co May during this review, Commerce will instruct CBP to liquidate such entries at the Vietnam-wide entity rate.

Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act): (1) for subject merchandise produced and exported by Co May, no cash deposit will be required; (2) for subject merchandise exported by Co May, but not produced by Co May, the cash deposit rate will be the rate for the Vietnam-wide entity; and (3) for subject merchandise produced by Co May, but not exported by Co May, the cash deposit rate will be the rate applicable to the exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative

protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

Commerce is issuing and publishing these final results of review in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act, and 19 CFR 351.214.
