[Docket No. CP06-449-000]

Kinder Morgan Louisiana Pipeline, L.L.C.; Notice of Public Meetings To Receive Comments on the Draft Environmental Impact Statement for the Proposed Kinder Morgan Louisiana Pipeline Project

February 2, 2007.

On January 26, 2007, the staff of the Federal Energy Regulatory Commission issued a draft Environmental Impact Statement (EIS) for the proposed Kinder Morgan Louisiana Pipeline Project. We will hold two public meetings to receive comments on the draft EIS.

The public meetings are designed to provide an opportunity for landowners, concerned citizens, and other stakeholders to offer comments on the draft EIS and environmental issues they believe should be addressed in the final EIS. To ensure that every comment is accurately recorded, a court reporter will be present to prepare an official transcript of each meeting. All interested parties are invited to attend the following public comment meetings:

Monday, February 26th: 6:30–9:30 p.m.,
Best Western Richmond Suites, Jean Lafitte Rooms I and II, 2600 Moeling Street, Lake Charles, LA.

Tuesday, February 27th: 6:30–9:30 p.m.,
Holiday Inn, 603 Holiday Drive, Jennings, LA.

For additional information, contact the Commission's Office of External Affairs at 1-866-208-FERC (3372).

Magalie R. Salas,

Secretary.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

Notice of Application Accepted for Filing and Soliciting Motions to Intervene, Protests, and Comments

February 2, 2007.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection:

a. *Type of Application:* Preliminary Permit.

b. *Project No.:* 12768-000.

c. *Date filed:* January 11, 2007.

d. *Applicant:* Rochester Gas and Electric Corporation.

e. *Name and Location of Project:* The proposed Station No. 2, Unit 2 Project would be located at the site of the existing Station No. 2 Hydroelectric Project (FERC No. 2582) on the Genesee River in the City of Rochester, Monroe County, New York and would provide additional capacity at that site.

f. *Filed Pursuant to:* Federal Power Act, 16 U.S.C. 791(a)-825(r).

g. *Applicant Contact:* Mr. Thomas W. McCollach, Rochester Gas and Electric Corporation, 89 East Avenue, Rochester, NY 14649, (585) 724-8085.

h. *FERC Contact:* Tom Papsidero, (202) 502-6002.

i. *Deadline for filing motions to intervene, protests and comments:* 60 days from the issuance date of this notice.

All documents (original and eight copies) should be filed with Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings. Please include the project number (P-12768-000) on any comments or motions filed.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

j. *Description of Proposed Project:* The proposed project would be located at

the site of the licensed Station No. 2 Hydroelectric Project and would have the following new facilities: (1) A proposed 235-foot-long, 13-foot-diameter penstock which would include a low-level bifurcation to provide flow to the proposed powerhouse, (2) a proposed powerhouse containing one generating unit with an installed capacity of 6.0 megawatts, (3) a proposed one-mile-long transmission line which would connect to an existing power line; and (4) appurtenant facilities. The project would have an annual generation of 25 gigawatt-hours, which would be sold to a local utility.

k. *Location of Applications:* A copy of the application is available for inspection and reproduction at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, call toll-free 1-866-208-3676 or e-mail FERCOnlineSupport@ferc.gov. For TTY, call (202) 502-8659. A copy is also available for inspection and reproduction at the address in item g above.

l. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

m. *Competing Preliminary Permit:* Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

n. *Competing Development Application:* Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular
