Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Rule 17Ad-13; SEC File No. 270-263;
OMB Control No. 3235-0275.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information provided for in Rule 17Ad-13 (17 CFR 240.17Ad-13). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17Ad-13 (17 CFR 240.17Ad-13) requires an annual study and evaluation of internal accounting controls under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). It requires approximately 100 registered transfer agents to obtain an annual report on the adequacy of their internal accounting controls from an independent accountant. In addition, transfer agents must maintain copies of any reports prepared pursuant to Rule 17Ad-13 plus any documents prepared to notify the Commission and appropriate regulatory agencies in the event that the transfer agent is required to take any corrective action. These recordkeeping requirements assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. Small transfer agents are exempt from Rule 17Ad-13 as are transfer agents that service only their own companies' securities.

Approximately 100 independent, professional transfer agents must file the independent accountant's report annually. We estimate that the annual internal time burden for each transfer agent to comply with Rule 17Ad-13 by submitting the report prepared by the independent accountant to the Commission is minimal. The time required for the independent accountant to prepare the accountant's report varies with each transfer agent depending on the size and nature of the transfer agent's operations. The Commission estimates that, on average, each report can be completed by the independent accountant in 120 hours, resulting in a total of 12,000 external hours annually (120 hours × 100 reports). The burden
