

will not be used to establish standing for the objection process. Additionally, anonymous comments will not provide the Manti-La Sal National Forest with the ability to provide the respondent with subsequent environmental documents.

For information on when public meetings will be scheduled for refining the proposed action and identifying possible alternatives to the proposed action, refer to the website: www.fs.usda.gov/main/mantilasal/landmanagement/planning.

The decision to approve the revised LMP for the Manti-La Sal National Forest will be subject to the objection process identified in 36 CFR 219 subpart B (219.50 to 219.62). According to 36 CFR 219.53(a), parties eligible to file an objection are individuals and entities who have submitted substantive formal comments related to plan revision during the opportunities provided for public comment during the planning process. The burden is on the objector to demonstrate compliance with requirements for objections (36 CFR 219.53).

Applicable Planning Rule

Preparation of the revised LMP for the Manti-La Sal National Forest began with the publication of a notice of assessment initiation in the **Federal Register** on July 29, 2016 (81 FR 49925) and was initiated under the planning procedures contained in the 2012 Planning Rule (36 CFR 219 (2012)).

Dated: August 20, 2021.

Barnie Gyant,

Associate Deputy Chief, National Forest System.

DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Vehicle Inventory and Use Survey

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on March 15, 2021 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: U.S. Census Bureau, Commerce.

Title: Vehicle Inventory and Use Survey.

OMB Control Number: 0607-0892.

Form Number(s): TC-9501, TC-9502.

Type of Request: Regular submission, Request for a Reinstatement, with change of a previously approved collection.

Number of Respondents: 150,000.

Average Hours per Response: 65 minutes.

Burden Hours: 162,500.

Needs and Uses: The Census Bureau requests clearance of the forms that will be used to conduct the 2021 Vehicle Inventory and Use Survey (VIUS). Our sponsor for this joint statistical project is the Bureau of Transportation Statistics. The 2021 VIUS will collect data to measure the physical and operational characteristics of trucks from a sample of approximately 150,000 trucks. These trucks are selected from more than 190 million private and commercial trucks registered with motor vehicle departments in the 50 states and the District of Columbia. The Census Bureau will collect the data for the sampled trucks from the registered truck owners. We will publish physical and operational vehicle characteristics estimates for each state, the District of Columbia, and the United States. A public-use file will be released that will contain unaggregated microdata information for each truck for which data are collected. The records on the
