

requirement that credits must be "surplus" of Federal or State requirements at the time they are generated as well as when they are used. However, the Order does not grant relief on those points because the permit was recently modified to no longer rely on such offsets, thereby mooted the issue.

On December 22, 2000, the Administrator issued an order dismissing items 2 and 3 of the petition as moot and denying the remainder of the petition. The order explains the reasons for the Administrator's decision.

FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take action with respect to these proposed acquisitions during the applicable waiting period.
