DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Withdrawal of Preparation of Draft Environmental Impact Statement for the Anacostia River and Tributaries, District of Columbia and Maryland, Northwest Branch Watershed, Montgomery County, Maryland, Draft Ecosystem Restoration Report and Integrated Environmental Assessment

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Notice of withdrawal.

SUMMARY: The U.S. Army Corps of Engineers, Baltimore District, is withdrawing its intent to prepare a Draft Environmental Impact Statement (DEIS) for environmental restoration in the Northwest Branch watershed, Montgomery County, Maryland. The Corps' environmental analyses have not identified any significant impacts associated with the proposed action, therefore, intent to prepare a DEIS is hereby terminated. The Corps is preparing a draft Environmental Assessment (EA) for the proposed environmental restoration. The draft EA will evaluate environmental effects of restoring riverine, wetland, and riparian habitat at eleven sites in the Northwest Branch watershed. Montgomery County and the Maryland-National Capital Park and Planning Commission are the cost-sharing partners and are participating in the feasibility study and draft EA development. The goal of this project is to provide site-specific restoration measures to enhance, preserve, and restore portions of the watershed that have been degraded by urban development pressures. Formulation of the restoration measures focuses on examining existing conditions and determining the feasibility of restoring portions of degraded ecosystem structure, function, and dynamic processes to a less degraded condition.

FOR FURTHER INFORMATION CONTACT: Questions about the termination of the DEIS can be addressed to Ms. Nancy Jedziniak, Study Manager, Baltimore District, U.S. Army Corps of Engineers, ATTN: CENAB-PL-P, P.O. Box 1715, Baltimore, Maryland 21203-1715, telephone (410) 962-2926. E-mail

address:
nancy.e.jedziniak@usace.army.mil.

SUPPLEMENTARY INFORMATION: A DEIS was in the process of being prepared by the Corps. During the National Environmental Policy Act (NEPA) process, it became apparent that the set of alternatives chosen as the final restoration plan did not produce any significant, long-term, or adverse impacts to the environment or its surroundings. Therefore, the DEIS process has been terminated. A draft ecosystem restoration report and draft EA have been prepared, and will be available for public review and comment in March 2000.

John A. Hall,
Alternate Army Federal Register Liaison Officer.

Department of the Army, Corps of Engineers

Withdrawal of Preparation of a Draft Environmental Impact Statement (DEIS) for the Upper North Branch Potomac Environmental Resources Study Draft Integrated Feasibility Report and Environmental Impact Statement

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Notice of withdrawal.

SUMMARY: The U.S. Army Corps of Engineers, Baltimore District (Corps), is withdrawing its intent to prepare a DEIS for environmental restoration in the Upper North Branch Potomac watershed, Garrett County, Maryland, and portions of Grant and Mineral Counties, West Virginia. The Corps' environmental analyses have not identified any significant impacts associated with the proposed action, therefore, intent to prepare a DEIS is hereby terminated. The Corps is preparing a draft Environmental Assessment (EA) for the proposed environmental restoration. The draft EA will evaluate environmental effects of restoring riverine, wetland, and riparian habitat at three sites in the Upper North Branch Potomac watershed. The Maryland Department of the Environment is the cost-sharing partner and is participating in the Environmental Restoration Report and draft EA development. The West Virginia sponsors have decided to withdraw from the study at this time. The goal of this project is to provide site

specific restoration measures to enhance, preserve, and restore portions of the watershed that have been degraded by abandoned mine lands. Formulation of the restoration measures focuses on examining existing conditions and determining the feasibility of restoring portions of degraded ecosystem structure, function, and dynamic processes to a less degraded condition.

FOR FURTHER INFORMATION CONTACT: Questions about the termination of the DEIS can be addressed to Mr. Peter Noy, Study Manager, Baltimore District, U.S. Army Corps of Engineers, ATTN: CENAB-PL-P, PO Box 1715, Baltimore, Maryland 21203-1715, telephone (410) 962-6100. E-mail address: peter.m.noy@usace.army.mil.

SUPPLEMENTARY INFORMATION: A DEIS was in the process of being prepared by the Corps. During the National Environmental Policy Act (NEPA) process, it became apparent that the set of alternatives chosen as the final restoration plan for the sites within Maryland did not produce any significant, long-term, or adverse impacts to the environment or its surroundings. Therefore, the DEIS process has been terminated. A draft feasibility report and draft EA have been prepared, and will be available for public review and comment.

John A. Hall,
Alternate Army Federal Register Liaison Officer.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before June 19, 2000.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public

participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: April 12, 2000.

William Burrow,

*Leader, Information Management Group,
Office of the Chief Information Officer.*

Office of Postsecondary Education

Type of Review: Extension.

Title: Lender's Application for Payment of Insurance Claims, ED Form 1207.

Frequency: On Occasion.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs; Businesses or other for-profit.

Reporting and Recordkeeping Hour Burden: Responses: 2,588; Burden Hours: 699.

Abstract: The ED Form 1207—Lender's Application for Payment of Insurance Claim—is completed for each borrower for whom the lender is filing a Federal claim. Lenders must file for payment within 90 days of the default, depending on the type of claim filed. There have been no changes made to this collection since the last clearance process.

Requests for copies of the proposed information collection request may be accessed from <http://edicsweb.ed.gov>, or

should be addressed to Vivian Reese, Department of Education, 400 Maryland Avenue, SW, Room 5624, Regional Office Building 3, Washington, D.C. 20202-4651. Requests may also be electronically mailed to the internet address OCIO_IMG_Issues@ed.gov or faxed to 202-708-9346. Please specify the complete title of the information collection when making your request.

Comments regarding burden and/or the collection activity requirements should be directed to Joseph Schubart at (202) 708-9266 or via his internet address Joe_Schubart@ed.gov.

Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.
