Foreign-Trade Zones Board

[Order No. 2025]

Foreign-Trade Zone 168; Application Requesting Expansion/Reorganization; Dallas/Fort Worth, Texas Area

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Metroplex International Trade Development Corporation, grantee of Foreign-Trade Zone 168, submitted an application to the Board for authority to reorganize/expand FTZ 168 to include proposed Site 9 in Coppell, Texas and to remove 101 acres from existing Site 8 in Gainesville, Texas, adjacent to the Dallas/Fort Worth Customs and Border Protection port of entry (B-52-2013, docketed May 23, 2013);

Whereas, notice inviting public comment has been given in the **Federal Register** (78 FR 32238-32239, May 29, 2013) and the application has been processed pursuant to the FTZ Act and the Board's regulations; and,

Whereas, the Board adopts the findings and recommendations of the examiners' report, and finds that the requirements of the FTZ Act and the Board's regulations would be satisfied with regard to the proposed removal of acreage at Site 8 and to the designation of a subzone for the use of Samsung Electronics America, Inc. (SEA) within proposed Site 9 (but not with regard to the approval of FTZ designation for the remaining portion(s) of proposed Site 9) upon submission by the applicant of documentary evidence of having reestablished its corporate existence and a definitive map(s) and acreage figure for the portion(s) of proposed Site 9 to be designated as the subzone for the use of SEA;

Now, therefore, the Board hereby orders:

The Board's Executive Secretary is authorized to finalize designation of a

subzone for the use of SEA and the requested removal of acreage from Site 8 upon the applicant's submission to the Executive Secretary of documentary evidence of the applicant's having reestablished its corporate existence and a definitive map(s) and acreage figure for the portion(s) of proposed Site 9 to be designated as the subzone for the use of SEA. This action is subject to the FTZ Act and the Board's regulations, including Section 400.13.

Signed at Washington, DC, this 12th day of January 2017.

Foreign-Trade Zones Board

[B-06-2017]

Foreign-Trade Zone (FTZ) 20—Norfolk, Virginia; Notification of Proposed Production Activity; STIHL Incorporated (Outdoor Power Products Manufacturing); Virginia Beach, Virginia

STIHL Incorporated (STIHL) submitted a notification of proposed production activity to the FTZ Board for its facilities in Virginia Beach, Virginia within FTZ Subzone 20E. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on December 23, 2016.

STIHL already has authority to produce outdoor power products within Subzone 20E. The current request would add an additional foreign status component to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status component described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt STIHL from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, STIHL would be able to choose the duty rates during customs entry procedures that apply to the blowers, trimmers, sprayers, cutters, cultivators and chain saws (duty rate free to 4.7%) for the foreign-status component noted below and in the existing scope of authority. Customs duties also could possibly be deferred or reduced on foreign-status

production equipment. The additional component sourced from abroad is lithium ion batteries (duty rate 3.4%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is February 28, 2017.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.

Certain Oil Country Tubular Goods From the People's Republic of China: Notice of Court Decision Not in Harmony With Final Scope Ruling and Notice of Amended Final Scope Ruling Pursuant to Court Decision

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is notifying the public that the Court of International Trade's (CIT's or the Court's) final judgment in this case is not in harmony with the Department's final scope ruling. Therefore, the Department finds that neither the plain language of the scope nor an analysis of the scope language using the criteria outlined in the Department's regulations support a finding that seamless unfinished oil country tubular goods (OCTG) (*i.e.*, green tubes) manufactured in the People's Republic of China (the PRC), and subsequently finished in a third country, are covered by the scope of the antidumping and countervailing duty orders.

DATES: Effective December 3, 2016.
