DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Placement and Transfer of Unaccompanied Children Into ORR Care Provider Facilities (0970–0554)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, Department of Health and Human Services.

ACTION: Request for public comment.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), is inviting public comments on revisions to an approved

information collection. The request consists of several forms that allow the Unaccompanied Children (UC) Program to place UC referred to ORR by federal agencies into care provider facilities and to transfer UC within the ORR care provider network.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: ORR received several comments on this information collection in response to the **Federal Register** Notice published on January 19, 2021, (86 FR 5196) and has provided responses to those comments in its final submission to OMB. UC Path is critical to program operations and it is important that rollout of the new system not be delayed. Therefore, the below description details what will be included in the initial launch of the UC Path case management system and revisions based on public comments will be made after initial launch. ORR plans to conduct a deliberative review of commenters' suggestions and concerns and submit a request for revisions to this information collection request in January 2022. The upcoming information collection request will also include revisions based on feedback from UC Path system users (i.e., ORR grantee, contractor, and federal staff).

A. ORR plans to revise all 13 instruments currently approved under OMB #0970–0554, all of which will be incorporated into ORR's new case management system, UC Path. Five of the instruments contain revisions to the formatting, organization, or wording of field labels with no changes to the content. The remaining eight instruments contain changes in content. In addition, ORR plans to add four new instruments to this collection that will also be incorporated into UC Path. Finally, ORR plans to replace the term “unaccompanied alien child (UAC)” with “unaccompanied child (UC)”
