Federal Aviation Administration

Public Notice for Wavier of Aeronautical Land-Use Assurance, Chippewa County International Airport, Sault Ste. Marie, MI

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the airport from aeronautical use to non-aeronautical use and to authorize the sale of the airport property. The proposal consists of 2 parcels of land, totaling approximately 17.89 acres. Current use and present condition is undeveloped land compatible with local

commercial zoning classification. The land was acquired under the Military Installation Conversion Program, Federal Property and Administrative Services Act of 1949, Surplus Property Act of 1944. There are no impacts to the airport by allowing the airport to dispose of the property. Subject parcels may provide good commercial development opportunities for the community and are well outside airport perimeter fence limits. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the disposal of the airport property will be in accordance FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999.

In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

DATES: Comments must be received on or before February 24, 2005.
