SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Proposed Request

The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that may be included in this notice are for new information collections, approval of existing information collections, revisions to OMB-approved information collections, and extensions (no change) of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the SSA Reports Clearance Officer. The information can be mailed and/or faxed to the individual at the address and fax number listed below:

(SSA), Social Security Administration, DCFAM, Attn: Reports Clearance Officer, 1333 Annex Building, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-965-6400.

The information collection listed below is pending at SSA and will be submitted to OMB within 60 days from the date of this notice. Therefore, your comments should be submitted to SSA within 60 days from the date of this publication. You can obtain a copy of the collection instrument by calling the SSA Reports Clearance Officer at 410-

965-0454 or by writing to the address listed above.

Permanent Residence Under Color of the Law (PRUCOL)—20 CFR 416.1615 and 416.1618—0960-0451. Under Public Law 104-193, which was effective August 22, 1996, a non-citizen must be a “qualified alien” and meet certain additional requirements in order to be eligible for Supplemental Security Income (SSI). This law also established an exception to the new requirements for certain “nonqualified aliens” (*i.e.*, non-citizens who are not qualified aliens). Nonqualified aliens who were receiving SSI on August 22, 1996 were allowed to remain on the rolls until September 30, 1997, at which time benefits would be suspended if the aliens had not acquired qualified alien status. Public Law 105-33 extended the suspension date to September 30, 1998. Public law 105-306, enacted October 28, 1998, provided that nonqualified aliens who were receiving SSI on August 22, 1996 would remain eligible for SSI after September 30, 1998 provided all other requirements for eligibility were met (*e.g.*, income and resources, etc.). SSI eligibility for this group of aliens—“grandfathered nonqualified aliens”—will continue to be determined based on the rules governing alien eligibility in effect prior to August 22, 1996, *i.e.*, the PRUCOL standard.

As discussed in SSA regulations at 20 CFR 416.1615 and 416.1618, a PRUCOL alien must present evidence of his/her alien status at application and periodically thereafter as part of the eligibility determination process for SSI. SSA verifies the validity of the evidence of PRUCOL for grandfathered nonqualified aliens with the Department of Homeland Security (DHS). Based on the DHS response, SSA will determine whether the individual is PRUCOL. Without this information, SSA would not be able to determine whether the individual is eligible for SSI payments. The respondents are individuals who have alien status and live in the United States.

Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 9,000.

Frequency of Response: 1.

Average Burden per Response: 5 minutes.

Estimated Annual Burden: 750 hours.

Dated: January 18, 2006.

Elizabeth A. Davidson,

Reports Clearance Officer, Social Security Administration.

National Park Service

Notice of Intent To Prepare an Environmental Impact Statement (EIS) for Actions To Substantially Restore Natural Quiet to the Grand Canyon National Park and Public Scoping

AGENCY: Federal Aviation Administration and National Park Service.

ACTION: Notice of Intent: Request for scoping comments.

SUMMARY: The Federal Aviation Administration (FAA) and the National Park Service (NPS), as co-leads in the environmental process, intend to prepare an Environmental Impact Statement (EIS) under the provisions of the National Environmental Policy Act of 1969, as amended. The EIS will address environmental and related impacts that may result from actions to be proposed and alternatives to be developed to achieve the statutory mandate of Public Law 100-91 (“commonly know as the Overflights Act”); to provide for the substantial restoration of the natural quiet and experience of Grand Canyon National Park (GCNP). The Presidential Memorandum dated April 22, 1996, Earth Day Initiative, Parks for Tomorrow calls for substantial restoration of natural quiet in the GCNP to be achieved by 2008. “Substantial restoration of natural quiet” has been defined by the NPS to mean that 50 percent or more of the park will achieve natural quiet (*i.e.*, no aircraft audible) for 75 to 100 percent of the day.

This undertaking is a follow-on to previous actions taken by the FAA, in cooperation with the NPS, since December 1996.

The FAA and NPS are inviting the public, agencies, and other interested parties to provide comments, suggestions, and input regarding: (1) The scope, issues, and concerns related to the development of proposed and alternative actions at Grand Canyon National Park that provide for the substantial restoration of the natural quiet and experience of the park and protection of public health and safety from significant adverse effects associated with all aircraft overflights; (2) past, present, and reasonably foreseeable future actions which, when considered with any alternatives, may result in significant cumulative impacts; and, (3) potential alternatives.

The scoping process for this EIS will include three public meetings and a ninety-day comment period for interested agencies and parties to submit oral and/or written comments representing the concerns and issues they believe should be addressed. Please submit any written comments within ninety-days from the date of this Notice, or no later than April 27, 2006. Address your comments to: Docket Management System, Doc No. FAA-2005-23402, U.S. Department of Transportation, Room Plaza 401, 400 Seventh Street, SW., Washington, DC 20590-0001.

The purpose of this Notice is to inform Federal, State, local government agencies, and the public of the intent to prepare an Environmental Impact Statement (EIS) and to conduct a public and agency scoping process. Information, data, opinions, and comments obtained throughout the scoping process will be considered in preparing the Draft EIS.

To maximize the opportunities for public participation in this environmental process, the FAA and NPS will also publish notices in the major local newspapers in the vicinity of the study area.

DATES: The scoping period, and the opportunity to provide written comments will extend from publication of this Notice for a period of ninety-days. The forecast period of public and Agency scoping is January 20, through April 27, 2006.

Public Meetings: Public scoping meetings will be held in Phoenix, Arizona (AZ) on February 21, Flagstaff, AZ on February 22, and in Las Vegas, Nevada (NV) on February 23. Following are the specifics for each of the public meetings:

Phoenix—February 21, 2006; 4 p.m. to 8 p.m., Glendale Community College, 6000 W. Olive Ave., Glendale, AZ 85302;
