AGENCY: Office of Acquisition and Property Management (PAM), Office of the Secretary, Interior.

ACTION: Notice of a new information collection that is based upon revision of a currently approved information collection (OMB Control Number 1006-0009) and request for comment.

SUMMARY: To comply with the Paperwork Reduction Act of 1995 (PRA), we are submitting to OMB for review and approval an information collection request (ICR), titled "Private Rental Survey." We are also soliciting comments from the public on this ICR.

DATES: Submit written comments by January 29, 2001.

ADDRESSES: You may submit comments directly to the Office of Information and Regulatory Affairs, OMB, Attention: Desk Officer for the Department of the Interior (1084-NEW), 725 17th Street, N.W., Washington, D.C. 20503. Mail or hand carry a copy of your comments to the Department of the Interior; Office of Acquisition and Property Management; Attention: Linda Tribby; Mail Stop 5512; 1849 C Street, NW, Washington, DC 20240. Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. There may be circumstances in which we would withhold from the record a respondent's identity, as allowable by the law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

FOR FURTHER INFORMATION CONTACT:

Linda Tribby, Departmental Quarters Program Manager, telephone (202) 219-0728.

SUPPLEMENTAL INFORMATION:

Title: Private Rental Survey.

OMB Control Number: 1084-NEW (replaces OMB No. 1006-0009).

Bureau Form Number: OS-2000 and OS-2001 (replace Bureau of Reclamation Forms 7-2226 and 7-2227).

Abstract: Public Law 88-459 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A-45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to

occupants of Government Furnished Quarters (GFQ) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, PAM conducts housing surveys in support of quarters management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Defense, Justice, Transportation, Treasury, Health and Human Services, and Veterans Affairs. DOI's Bureau of Reclamation previously performed these information collections under the currently approved OMB Control No. 1006-0009. This collection of information provides data that helps DOI as well as other Federal agencies to manage GFQ in compliance with the requirements of OMB Circular A-45 (Revised). If the collection activity were not performed, there would be no basis

for determining open market rental costs for GFQ.

On August 18, 2000, we published a **Federal Register** notice (65 FR 50555-50556) with the required 60-day comment period announcing that we would submit this collection of information to OMB for approval. We received no comments in response to the notice.

Frequency of Collection: We survey each of 16 regions every third year, surveying five to six regions each year.

Description of Respondents:

Individual property owners and small businesses or organizations (real estate managers, appraisers, or property managers).

Estimated Annual Responses: 5,279.

Estimated Annual Reporting and Recordkeeping "Hour" Burden: 1,046 hours (refer to burden chart). There are no recordkeeping requirements.

RESPONSE BURDEN CHART

Form no.	Number of respondents	Number of responses per respondent	Total annual responses	Hours per response (in minutes)	Burden hours
OS-2000	4,979	1	4,979	12	996
OS-2001	300	1	300	10	50
Total	5,279	5,279	1,046

Estimated Annual Reporting and Recordkeeping "Non-Hour Cost" Burden: None.

Comments: The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Section 3506(c)(2)(A) of the PRA requires each agency " * * * to provide notice * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * * ". Agencies must specifically solicit comments to:

(a) Evaluate whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful;

(b) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information;

(c) Enhance the quality, usefulness, and clarity of the information to be collected; and,

(d) Minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

If you wish to comment in response to this notice, send your comments directly to the office listed under the **ADDRESSES** section of this notice. The OMB has up to 60 days to approve or disapprove the information collection but may respond after 30 days. Therefore, to ensure maximum consideration, OMB should receive public comments by January 29, 2001.

PAM Information Collection Clearance Officer: Debra E. Sonderman, (202) 208-6352.
