

to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of this review by the current deadline of April 2, 2011, because we require additional time to analyze a complex affiliation issue pertaining to the exporter subject to this administrative review. Therefore, we are extending the time period for issuing the preliminary results of this review by 75 days to June 16, 2011.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).
