SUPPLEMENTARY INFORMATION:**I. Abstract**

The SBIR program was originally established in 1982 by the Small Business Innovation Development Act (Pub. L. 97-219), codified at 15 U.S.C. 638. It was then expanded and extended by the Small Business Research and Development (R&D) Enhancement Act of 1992 (Pub. L. 102-564) and received subsequent reauthorization and extensions that include Public Law 112-81, extending SBIR through September 30, 2022. The US Small Business Administration (SBA) serves as the coordinating agency for the SBIR program. It directs the agency implementation of SBIR, reviews

progress, and reports annually to Congress on its operation.

The NIST SBIR Cover Sheet is the first page of each application that responds to the annual NIST SBIR Federal Funding Opportunity (FFO). The information collected in the Cover Sheet provides identifying information and demographic data for use in NIST's annual report to the SBA on the program.
