FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Cleveland Knight, 202–987–0064.

SUPPLEMENTARY INFORMATION: The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Entry Evaluation & Exit Evidence Forms.

OMB Control Number: 1894–NEW.

Type of Review: A new ICR.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 819.

Total Estimated Number of Annual Burden Hours: 2,927.

Abstract: ED will use the Entry Evidence ICR form and the Evaluation & Exit Evidence ICR form for discretionary grant programs that: (1) Use the standard ED 524–B Grant Performance Report form as approved by OMB. The use of the standard ED 524–B Grant Performance Report promotes the standardization and streamlining of ED discretionary grant performance reporting. These performance reporting components are necessary to standardize information collection about Entry evidence, and Evaluation & Exit evidence use in grant implementation and to ensure a better, more comprehensive understanding of the use of evidence from what is provided in a grant application to the actual implementation of the grant project.
