Title of Proposal: Revision of MTW Family Report—HUD 50058 MTW.

OMB Control Number, if applicable: 2577-00863.

Description of the need for the information and proposed use:

The Office of Public and Indian Housing of the Department of Housing and Urban Development (HUD) provides funding to Public Housing Agencies (PHAs) to administer assisted housing programs. Form HUD-50058 MTW Family Reports solicit demographic, family profile, income and housing information on the entire nationwide population of tenants residing in assisted housing. The information collected through the Form HUD-50058 MTW will be used to monitor and evaluate the Office of Public and Indian Housing, Moving to Work (MTW) Demonstration program which includes Public Housing, Section 8 Housing Choice Voucher, Section 8 Project Based Certificates and Vouchers, Section 8 Moderate Rehabilitation and Moving to Work (MTW) Demonstration programs.

Reason for PRA

- MTW Agencies are providing housing assistance through a wide variety of interesting and creative programs that fall outside of sections 8 and 9 need to be able to report households served through these programs into PIC.¹

- The Moving to Work (MTW) PIC Module is currently unable to capture all of the households served through MTW activities because the HUD 50058 MTW Form in PIC does not have a code for reporting Local, Non-Traditional assisted families in the PIC system.

- Agencies have not been reporting these families into PIC and this makes it difficult to accurately account for the number of MTW families being served. The MTW Office is engaging in a manual collection of the number of families served each year but the PIC system needs to be revised to make this information collection easier for MTW agencies and HUD.

Background

- The MTW statute (1996 Appropriations Act, Section 204) states that an agency may combine its funding as provided under Sections 8 and 9 to provide housing assistance and services for low-income families. At the outset of the demonstration, a number of MTW agencies used this flexibility to design activities that went outside the bounds of the eligible activities of Sections 8 and 9 of the 1937 Act. Though the Standard MTW Agreement did not contain this flexibility, HUD committed to MTW agencies during negotiations that any provision permitted under an agency's original MTW agreement that was legal could be retained under the Standard Agreement.

- On October 1, 2009, the U.S. Department of Housing and Urban Development issued a letter to MTW agencies regarding the availability of the broader uses of funds authority, under the Moving to Work (MTW) program. The letter provided a brief description of the required steps that must be completed in order for agencies to access this additional MTW authorization.

Revision to HUD 50058 MTW—PIC System Change

- Create a Local, Non-Traditional Assistance "LN" program code categorization in Section 1.C Form 50058—MTW to track households that

are provided assistance through local, non-traditional MTW programs in addition to public housing, tenant-based and project-based assistance.

- Add Local, Non-Traditional Assistance to the heading of Section 21 of Form 50058—MTW to allow detailed reporting on this type of assistance.

Agency form numbers, if applicable: HUD 50058 MTW.

Members of affected public: Public Housing Agencies, State and local governments, individuals and households.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The estimated number of burden hours is 1,081,685. The number of respondents is 4,149 and the number of responses is 2,874,934. The frequency of responses is annually for recertifications and new admissions.

Status of the proposed information collection: This is a revision of an existing collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: August 10, 2012.

Merrie Nichols-Dixon,

Deputy Director for Office of Policy, Program and Legislative Initiatives.
