Farm Production and Conservation Business Center

Title: Request for Geospatial Products and Services.

OMB Control Number: 0565–NEW.

Summary of Collection: In accordance with the Paperwork Reduction Act, 1995, the Farm Production and Conservation (FPAC) is requesting comments from all interested individuals and organizations on a new information collection request for the. The information collection is needed to enable the Department of Agriculture to effectively administrate the Geospatial and Aerial Photography Programs. GEO has the responsibility for acquiring and conducting coordination of the FPAC’s geospatial datasets and the aerial photography flying contracts and remote sensing programs. The geospatial data and digital aerial imagery secured by FPAC BC is public domain and reproductions are available at cost to any customer with a need. All receipts from the sale of geospatial products and services are retained by FPAC BC. This collection will get an FPAC OMB control number. The FPAC–ISD–441, Request for Geospatial Products and Services, is the form FPAC supplies to the customers for placing an order for aerial imagery products and services. The burden hours have decreased because FPAC–ISD–441B Request for Custom Aerial Print and FPAC–ISD441D One Time Credit Card Payment Authorization forms are now obsolete.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hour is the estimated average time per responses hours multiplied by the estimated total annual responses. The information collection request will get new FPAC OMB control number.

Estimate of Burden: Public reporting burden for the information collection is estimated to average 16 minutes per response.

Type of Respondents: Farmers, Ranchers, and other customers who
