### Federal Railroad Administration

#### Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), notice is hereby given that the Federal Railroad Administration (FRA) received a request for a waiver of compliance with certain requirements of its safety standards. The individual petition is described below, including the party seeking relief, the regulatory provisions involved, the nature of the relief being requested, and the petitioner's arguments in favor of relief.

#### Lake Superior Railroad Museum

[Docket Number FRA–2002–13490]

The Lake Superior Railroad Museum (LSRM) of Duluth, Minnesota has petitioned for a permanent waiver of compliance for one 1956 built General Motors Locomotive numbered 4211 from the requirements of the Railroad Safety Glazing Standards, 49 CFR part 223, which requires certified glazing in all windows and a minimum of four emergency windows. The railroad indicates that it operates on 26 miles of track on the North Shore Scenic Railroad between Duluth and Two Harbors, Minnesota.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since

the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number (e.g., Waiver Petition Docket Number FRA–2002–13490) and must be submitted to the Docket Clerk, DOT Docket Management Facility, Room PL–401 (Plaza Level), 400 7th Street, SW., Washington, DC 20590. Communications received within 45 days of the date of this notice will be considered by FRA before final action is taken. Comments received after that date will be considered as far as practicable. All written communications concerning these proceedings are available for examination during regular business hours (9 a.m.—5 p.m.) at the above facility. All documents in the public docket are also available for inspection and copying on the Internet at the docket facility's web site at <http://dms.dot.gov>.

Issued in Washington, DC on October 29, 2002.

#### The Livonia, Avon & Lakeville Railroad Corporation

[Docket Number FRA–2002–13250]

The Livonia, Avon & Lakeville Railroad Corporation (LAL) has petitioned the Federal Railroad Administration (FRA) for a waiver of compliance for one business car numbered 100 from the requirements of the Railroad Safety Glazing Standards, 49 CFR part 223, which requires certified glazing in all windows and a minimum of four emergency windows.

The railroad indicates that the car is not air conditioned and is used only four times a year. This car has 25 windows that open a maximum of eight (8) inches.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing.
