Multilayered Wood Flooring From the People’s Republic of China: Final Results and Partial Rescission of Countervailing Duty Administrative Review; 2011

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) conducted an administrative review of the countervailing duty order on multilayered wood flooring (wood flooring) from the People’s Republic of China (PRC).¹ On January 27, 2014, the Department published the *Preliminary Results* for this administrative review.² The period of review (POR) is April 6, 2011, through December 31, 2011. This review covered multiple exporters/producers, two of which were individually reviewed as mandatory respondents, with another being individually reviewed as a voluntary respondent. The Department finds that the mandatory respondents, Armstrong Wood Products (Kunshan) Co., Ltd. (also known as, “Armstrong Wood Products Kunshan Co., Ltd.”) (Armstrong) and The Lizhong Wood Industry Limited Company of Shanghai (also known as, “Shanghai Lizhong Wood Products Co., Ltd.”) (Lizhong), as well as voluntary respondent, Fine Furniture (Shanghai) Limited (Fine Furniture), received countervailable subsidies during the POR. We are applying rates to the other firms subject to this review based on the countervailing duty rates calculated for the respondents individually examined. The Department also rescinds the review of one company, Changzhou Hawd Flooring Co., Ltd., that timely certified that it had no shipments of subject merchandise to the United States during the POR.

A full description of the scope of the *Amended Order* is contained in the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations to Paul Piquado, Assistant Secretary for Enforcement and Compliance, "Decision Memorandum for Final Results of Countervailing Duty Administrative Review: Multilayered Wood Flooring from the People's Republic of China," dated concurrently with this notice (Issues and Decision Memorandum), which is hereby adopted by this notice.

The Issues and Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, Room 7046 of the main Department building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://trade.gov/enforcement/>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Partial Rescission of Administrative Review

On March 28, 2013, we received a timely filed no shipment certification

from Changzhou Hawd Flooring Co., Ltd. Because there is no evidence on the record to indicate that this company had sales of subject merchandise during the POR, and no party objected to our intent to rescind as stated in the *Preliminary Results*, pursuant to 19 CFR 351.213(d)(3), we are rescinding the review with respect to Changzhou Hawd Flooring Co., Ltd.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). A full description of the methodology underlying our conclusions is presented in the Issues and Decision Memorandum.

Final Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated individual subsidy rates for the mandatory respondents, Armstrong and Lizhong, as well as for the voluntary respondent, Fine Furniture.

For the respondents not selected for individual review, we applied a subsidy rate based on an average of the subsidy rates calculated for those companies selected for individual review (*i.e.*, the mandatory respondents), excluding *de minimis* rates or rates based entirely on adverse facts available.⁴ Therefore, we assigned to these companies the simple average of the rates calculated for Armstrong and Lizhong. We used a simple average and not a weighted average because weight averaging the rates of the two mandatory respondents risks the disclosure of proprietary information of each company to the other.

We find the net subsidy rate for the producers/exporters under review to be as follows:

Producer/exporter	Net subsidy rate
Armstrong Wood Products (Kunshan) Co., Ltd (also known as, "Armstrong Wood Products Kunshan Co., Ltd")	0.98
The Lizhong Wood Industry Limited Company of Shanghai (also known as, "Shanghai Lizhong Wood Products Co., Ltd"); Linyi Youyou Wood Co., Ltd	0.67
