The Draft EIS/EIR/Plan Amendment was circulated for a 90-day public comment period initiated in October 2019, **Federal Register** Notice of Availability (84 FR 58738). The BLM held public meetings on December 2 and 3, 2019, in Palm Desert and Blythe, respectively. Twenty-one comments were received during the comment period. Responses to substantive comments were in Appendix W of the Final EIS/EIR/Plan Amendment. Public comments resulted in the addition of clarifying text but did not warrant changes in the analysis or conclusions. The Final EIS/EIR/Plan Amendment was published February 12, 2021 (86 FR 9335), initiating a 30-day protest period and a concurrent Governor's consistency review of up to 60 days. During the protest period for the Proposed Amendments to the RMPs, the BLM received three protest letters. All protests were resolved prior to the issuance of the RODs. For a full description of the issues raised during the protest period and how they were addressed, please refer to the BLM Protest Resolution Report, which is available online at <https://www.blm.gov/programs/planning-and-nepa/public-participation/protest-resolution-reports>. The Governor of California reviewed the Final EIS and Proposed Amendments to the RMPs and did not identify any inconsistencies with State or local plans, policies, or programs.
