Silicon Graphics, Inc., Worldwide Manufacturing Organization Including Leased Workers of Kelly Services Chippewa Falls, WI; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of July 22, 2003, a petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The Department's determination notice was signed on June 17, 2003. The notice was published in the **Federal Register** on July 3, 2003 (68 FR 39976).

The Department reviewed the request for reconsideration and has determined that the petitioner has provided additional information. Therefore, the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 3rd day of November, 2003.

Southeastern Adhesives Company, Lenoir, NC; Notice of Revised Determination on Reopening

On November 10, 2003, the Department, on its own motion, reopened its investigation for the former workers of the subject firm.

The initial investigation was initiated on September 12, 2003, and resulted in a negative determination issued on October 21, 2003. The investigation findings showed that workers of the subject firm did not supply at least 20 percent of production or sales to a firm that employed a group of workers who received a certification of eligibility to apply for trade adjustment assistance (TAA). Consequently, workers of Southeastern Adhesives Company, Lenoir, North Carolina, could not be certified as a secondarily affected worker group. The denial notice was published in the **Federal Register** on November 6, 2003 (68 FR 62832).

The Department has obtained new information showing that the subject firm supplied adhesives to a furniture manufacturer whose workers were certified eligible to apply for TAA and the loss of business contributed importantly to worker separations at the Lenoir, North Carolina plant.

Conclusion

After careful consideration of the facts obtained on reopening, I determine that workers of Southeastern Adhesives Company, Lenoir, North Carolina, qualify as adversely affected secondary workers under Section 222 of the Trade Act of 1974, as amended.

In accordance with the provisions of the Act, I make the following revised determination:

All workers of Southeastern Adhesives Company, Lenoir, North Carolina, who became totally or partially separated from employment on or after September 2, 2002, through two years from the date of certification, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed in Washington, DC this 17th day of November 2003.
