

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(b), the Department finds that Yuqiao's request meets the statutory and regulatory requirements for initiation of a new shipper review.⁶ Accordingly, the Department is initiating a new shipper review of the antidumping duty order on mushrooms from the PRC for subject merchandise produced by Kangfa and exported by Yuqiao. Absent a determination that the case is extraordinarily complicated, the Department intends to issue the preliminary results of this review within 180 days after the date on which this review is initiated and the final results within 90 days after the date on which the Department issues the preliminary results.⁷

In cases involving non-market economies, the Department requires that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities.⁸ Accordingly, the Department will issue a questionnaire to Yuqiao that will include a separate rates section. This review may proceed if the response provides sufficient indication that Yuqiao is not subject to either *de jure* or *de facto* government control with respect to its exports of mushrooms.

The Department will instruct CBP to allow (at the option of the importer) the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of subject merchandise exported by Yuqiao and produced by Kangfa in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because Kangfa certified that the sales which form the basis for its request were produced by Kangfa, the Department will instruct CBP to permit the use of a bond only for entries of subject merchandise produced by Kangfa and exported by Yuqiao.

To assist in its analysis of the *bona fides* of Yuqiao's sales, upon initiation of this new shipper review, the

Department will require the company to submit on an ongoing basis complete transaction information concerning any sales of subject merchandise to the United States that were made subsequent to the POR.

Interested parties requiring access to business proprietary information in this new shipper review should submit applications for disclosure under administrative protective order, in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act, 19 CFR 351.214, and 19 CFR 351.221(c)(1)(i).

Dated: October 1, 2015.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
