Certain Steel Wheels 12 to 16.5 Inches in Diameter From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable October 15, 2018.

FOR FURTHER INFORMATION CONTACT: Emily Halle at (202) 482-0176, or Keith Haynes at (202) 482-5139, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 28, 2018, the Department of Commerce (Commerce) initiated the countervailing duty (CVD) investigation of certain steel wheels 12 to 16.5 inches in diameter (certain steel wheels) from the People's Republic of China.¹ The preliminary determination is currently due no later than November 1, 2018.

Postponement of the Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue a preliminary

determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1)(A) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if the petitioner makes a timely request for a postponement. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reason for the request. Commerce will grant the request unless it finds compelling reasons to deny it.²

On September 25, 2018, Dexstar Wheel, a division of Americana Development, Inc. (the petitioner) submitted a timely request pursuant to section 703(c)(1)(A) of the Act and 19 CFR 351.205(e) to postpone fully the preliminary determination. The petitioner stated that the purpose of its request was to provide Commerce with adequate time to solicit information from the respondents and to allow Commerce sufficient time to analyze respondents' questionnaire responses.³

For the reasons stated above, and because there are compelling reasons to deny the petitioner's request, Commerce, in accordance with section 703(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 65 days (*i.e.*, 130 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination no later than January 7, 2019.⁴ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

³ See Letter from the petitioner, "Certain Steel Wheels 12 to 16.5 Inches in Diameter from China (C-570-091) Petitioner's Request to Postpone the Deadline for the Preliminary Determination," dated September 25, 2018.

⁴ The actual deadline is January 5, 2019, which is a Saturday. Commerce's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

Steel Propane Cylinders From the People's Republic of China and Thailand: Postponement of Preliminary Determinations in the Less-Than-Fair-Value Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

DATES: Applicable October 15, 2018.

FOR FURTHER INFORMATION CONTACT:

Jonathan Cornfield or Laura Griffith at (202) 482–3855, or (202) 482–6430, respectively (People's Republic of China (China)) and Cindy Robinson or Stephanie Moore at (202) 482–3797, or (202) 482–3692, respectively (Thailand), AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On June 11, 2018, the Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of steel propane cylinders from China, Taiwan, and Thailand.¹ On June 20, 2018, Commerce terminated its antidumping duty investigation of imports of steel propane cylinders from Taiwan, following the petitioners'² withdrawal of the petition and request that the investigation be terminated.³ Because Commerce has terminated its investigation of steel propane cylinders from Taiwan, the U.S. International Trade Commission (ITC)'s investigation is also terminated.⁴ The preliminary

determinations for China and Thailand are currently due no later than October 29, 2018.

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.⁵

On October 1, 2018, the petitioners submitted timely requests to postpone the preliminary determinations in these LTFV investigations.⁶ The petitioners stated that they requested postponement because Commerce is still gathering data and questionnaire responses from the foreign producers in these investigations, and additional time is necessary for interested parties to respond to additional requests from Commerce before Commerce makes its preliminary determinations.

For the reasons stated above and because there are no compelling reasons to deny the petitioners' request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, Commerce will issue its preliminary determinations no later than December 18, 2018. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary

determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: October 9, 2018.
