

- The “Terms of Credit Card Plans Survey” collects data on credit card pricing and availability from a sample of at least 150 financial institutions that offer credit cards. The data enables the Bureau to present information to the public on terms of credit card plans;

- Sections 204 and 305 of the Credit Card Accountability Responsibility and Disclosure Act of 2009 (CARD Act), amending TILA, and 12 CFR 1026.57(d) and 1026.58, require card issuers to submit to the Bureau:

- Agreements between the issuer and a consumer under a credit card account for an open-end consumer credit plan; and

- Any college credit card agreements to which the issuer is a party and certain additional information regarding those agreements.

The data collections enable the Bureau to provide Congress and the public with a centralized and searchable repository for consumer and college credit card agreements and information regarding the arrangements between financial institutions and institutions of higher education.
