

recent period; (3) for all China exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate previously established for the China-wide entity, which is 154.07 percent; and (4) for all non-China exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the China exporter that supplied that non-China exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing these final results of administrative review and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: March 22, 2021.

Christian Marsh,

Acting Assistant Secretary for Enforcement and Compliance.

Polyethylene Terephthalate Resin From the Sultanate of Oman: Rescission of 2019-2020 Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on polyethylene terephthalate resin (PET resin) from the Sultanate of Oman (Oman) covering the period May 1, 2019, through April 30, 2020 (POR), based on the timely withdrawal of the sole request for review.

DATES: Applicable March 26, 2021.

FOR FURTHER INFORMATION CONTACT: Jonathan Hill, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3518.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2020, Commerce published a notice in the **Federal Register** in which it announced the opportunity for interested parties to request an administrative review of the order covering the POR.¹ In accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), on May 29, 2020, OCTAL SAOC—FZC (OCTAL) requested a review of the order with respect to itself.² On July 10, 2020, in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the order with respect to OCTAL.³ On

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 85 FR 25394 (May 1, 2020).

² See OCTAL's Letter "OCTAL's Request for AD Administrative Review," dated May 29, 2020.

³ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 41540 (July 10, 2020).

August 14, 2020, OCTAL timely withdrew its review request.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested the review withdraw their requests within 90 days of the publication date of the notice of initiation of the requested review. OCTAL withdrew its request for a review within the 90-day deadline. Because Commerce did not receive any other requests to review the order for the period May 1, 2019, through April 30, 2020, we are rescinding this administrative review in its entirety, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of PET resin from Oman during the period May 1, 2019, through April 30, 2020, at rates equal to the cash deposit rates for estimated antidumping duties that were required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction

of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: March 18, 2021.

James Maeder,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

SUPPLEMENTARY INFORMATION:

Agenda

Tuesday, April 13, 2021

After introductions and brief announcements, the Council will receive reports on recent activities from its Chairman and Executive Director, NMFS's Greater Atlantic Regional Fisheries Office (GARFO) Regional Administrator, the Northeast Fisheries Science Center (NEFSC) Director, the Mid-Atlantic Fishery Management Council liaison, staff from the Atlantic States Marine Fisheries Commission (ASMFC), and representatives from NOAA General Counsel, NOAA's Office of Law Enforcement, the U.S. Coast Guard, and the South Atlantic Council's Dolphin/Wahoo Committee. Next, the Northeast Fisheries Science Center will provide an overview of its efforts to address climate change impacts on fisheries. This briefing will be followed by a progress report on the Northeast Region Coordinating Council's scenario planning initiative to address climate change impacts and implications. At 3:00 p.m., NMFS will hold a listening session on Executive Order 14008, Tackling the Climate Crisis at Home and Abroad, focusing on Section 216(c), which is specific to making fisheries and protected resources more resilient to climate change. The Council and public will have the opportunity to provide recommendations and comments directly to NMFS, which is also known as NOAA Fisheries. As the final order of business for the day, the Council will receive an update on congressional activities.

Wednesday, April 14, 2021

The Council will begin the day with a progress report from its Atlantic Herring Committee. The Council will discuss next steps on actions to: (1) Develop a rebuilding plan to address the overfished status of the Atlantic herring resource; (2) potentially adjust herring accountability measures; and (3) consider spawning closures on Georges Bank under Framework Adjustment 7. Next, the Council will hear from its Skate Committee, which first will provide a summary of comments received during the recent supplemental scoping period for Amendment 5 to the Northeast Skate Complex Fishery Management Plan. The amendment considers establishing limited access in the skate wing and/or bait fisheries and other measures to address several issues in the fishery. The Council will discuss next steps for this action and also receive an update on other 2021 skate priorities.

Following the lunch break, the Council will hear from its Habitat

Committee on three items. First, the Council will receive a progress report on work being done to assess possible revisions to the Habitat Management Area on the Northern Edge of Georges Bank. Second, the Council will discuss and provide feedback to the Habitat Committee on a strategy for ongoing engagement and coordination with NOAA Fisheries on aquaculture issues. Third, the Council will receive an update on offshore wind developments in the Greater Atlantic Region.

Following the habitat discussion, the Greater Atlantic Regional Fisheries Office will provide a short progress report on the status of the 2021 Atlantic Sea Scallop Biological Opinion to address turtle interactions in the scallop fishery. Also related to scallops, the Council will receive updates on: (1) The formation of the new Scallop Survey Working Group and its recent activities; and (2) other 2021 Council scallop priorities. The Council will close out the day with a report on and discussion of the Northeast Trawl Advisory Panel's March 19, 2021 meeting.

Thursday, April 15, 2021

The Council will begin the third day of its meeting with a presentation on the NEFSC's State of the Ecosystem 2021 Report for New England. Next, the Council will hear the Scientific and Statistical Committee's recommendations on the State of the Ecosystem 2021 Report and have an opportunity to ask questions and discuss the report's contents. After that, the Ecosystem-Based Fishery Management (EBFM) Management Strategy Evaluation (MSE) Steering Committee will provide an update on its EBFM public information workshop planning efforts. Following this update, members of the public will have the opportunity to speak during an open comment period on issues that relate to Council business but are not included on the published agenda for this meeting. The Council asks the public to limit remarks to 3–5 minutes. These comments will be received through the webinar. A guide for how to publicly comment through the webinar is available on the Council website at https://s3.amazonaws.com/nefmc.org/NEFMC-meeting-remote-participation_generic.pdf. Next, the Council will go into its Groundfish Report, which will focus on next steps in response to public feedback received on a recreational groundfish party/charter fishery limited entry strawman. The Council then will close out the meeting with other business.

Although non-emergency issues not contained on this agenda may come
