DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

Notice is hereby given that on January 27, 2004, a proposed Consent Decree in *United States v. A-L Processors, f.k.a. Atlas-Lederer Co., et al.*, Civil Action No. C-3-91-309, was lodged with the United States District Court for the Southern District of Ohio.

In this action United States seeks the reimbursement of response costs in connection with the United Scrap Lead Superfund Site in Troy, Miami County, Ohio ("the Site") pursuant to the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9601 *et seq.* The Consent Decree resolves the United States' claims against Defendants Broadway Iron & Metal, Barker Junk Company, Inc., Moyers Auto Wrecking, and U.S. Waste materials, for response costs incurred as a result of the release or threatened release of hazardous substances at the Site. Two of these settlements are "ability-to-pay" settlements based on financial analyses conducted by the Department's Antitrust Corporate Finance Unit. All of the settling Defendants made *de minimis* contributions of waste to the Site. The four settling parties collectively will pay the United States \$137,499.18. The United States' remaining outstanding costs exceed \$9,000,000 and are being sought from the remaining defendants in this case.

The Consent Decree also resolves the United Scrap Lead Respondent Group's ("Respondent Group") CERCLA claims against the same parties for response costs incurred by the Respondent Group
