#### Notification to Interested Parties

In accordance with 19 CFR 351.226(d) and section 781(b) of the Act, Commerce determines that the request for circumvention inquiries satisfies the requirements of 19 CFR 351.226(c). Accordingly, Commerce is notifying all interested parties of the initiation of these circumvention inquiries to determine whether hangers completed in Cambodia using (1) steel wire and/or (2) steel wire and paper accessories from China or Vietnam, and exported from Cambodia are circumventing the *China Order* or the *Vietnam Orders*. In addition, we have included a description of the products that are subject to these inquiries and an explanation of Commerce's decision to initiate the inquiries as provided in the accompanying Circumvention Initiation Checklists.<sup>12</sup>

In accordance with 19 CFR 351.226(e)(1), unless the circumvention inquiries are rescinded, in whole or in part, or extended, Commerce intends to issue its preliminary circumvention determinations no later than 150 days from the date of publication of this notice of initiation of these circumvention inquiries in the **Federal Register**. Furthermore, in accordance with section 781(f) of the Act and 19 CFR 351.226(e)(2), unless the circumvention inquiries are rescinded, in whole or in part, or extended, Commerce intends to issue its final determinations within 300 days from the date of publication of this notice of initiation of the circumvention inquiries in the **Federal Register**.

This notice is published in accordance with section 781(b) of the Act and 19 CFR 351.226(d)(1)(ii).

#### Fiberglass Door Panels From the People's Republic of China: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable August 12, 2025.

**FOR FURTHER INFORMATION CONTACT:** Miranda Bourdeau and Samuel Frost, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482–2021 and (202) 482–8180, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On April 9, 2025, the U.S. Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of imports of fiberglass door panels from the People's Republic of China.<sup>1</sup> Currently, the preliminary determination is due no later than August 27, 2025.

##### Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must

state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On July 30, 2025, the petitioner<sup>2</sup> submitted a timely request that Commerce postpone the preliminary determination in the LTFV investigation.<sup>3</sup> The petitioner stated that it requested postponement to “allow {Commerce} to issue supplemental questionnaires and receive responses prior to making its preliminary AD determination”<sup>4</sup> and because “this is the first time {Commerce} has examined this product.”<sup>5</sup>

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days (*i.e.*, 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination no later than October 16, 2025. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination in this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: August 6, 2025.

Background

On April 9, 2025, Commerce published in the **Federal Register** the *Preliminary Results* of the 2022–2023 administrative review of the antidumping duty order on SAP from Korea.<sup>1</sup> On July 18, 2025, Commerce issued a post-preliminary analysis memorandum replacing the Cohen’s *d* test with the “price difference test.”<sup>2</sup> We invited interested parties to comment on the *Preliminary Results* and the post-preliminary analysis; however, no interested party submitted comments. Accordingly, we made no changes to the post-preliminary analysis, and thus, no decision memorandum accompanies this notice. Commerce conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).<sup>3</sup>

Scope of the Order<sup>3</sup>

The merchandise subject to the *Order* is SAP. For a full description of the scope, see the *Preliminary Results* PDM.

Changes Since the Preliminary Results

On June 13 and June 16, 2025, respectively, the U.S. Court of Appeals for the Federal Circuit (Federal Circuit) issued mandates based on the Federal Circuit’s opinions in *Marmen* and *Stupp*.<sup>4</sup> In its opinions, the Federal Circuit held that it is unreasonable to

use the Cohen’s *d* test when the Cohen’s *d* test is applied to data that do not satisfy certain statistical criteria. Accordingly, to comply with the Federal Circuit’s holdings regarding the Cohen’s *d* test, Commerce revised the differential pricing analysis used in the *Preliminary Results* in a post-preliminary analysis.<sup>5</sup> Commerce has made no other changes for these final results.

Final Results of Review

In the *Preliminary Results*, we determined that LG Chem, Ltd. (LGC) did not make sales of subject merchandise at less than NV during the POR. As noted above, Commerce received no comments concerning the *Preliminary Results* or the post-preliminary analysis. Therefore, for these final results, we continue to determine the below final weighted-average dumping margin exists for the period June 7, 2022, through November 30, 2023,:

Producer/exporter	Weighted-average dumping margin (percent)
LG Chem, Ltd .....	0.00

Disclosure

Normally, Commerce discloses to interested parties the calculations of the final results of an administrative review within five days of a public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because we have made no changes to the *Preliminary Results* other than those discussed in the Post-Preliminary Memorandum, for which we received no comments, there are no new calculations to disclose.

Assessment Rates

Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries in this review, in accordance with section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b)(1). Because we calculated a zero percent margin in the final results of this review for LGC, in accordance with 19 CFR 351.212, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries of subject merchandise during the POR produced by LGC, for which it did not know that its merchandise was destined for the

United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for LGC will be zero, the rate established in the final results of this review; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review or in the original less-than-fair-value (LTFV) investigation but the producer is, the cash deposit rate will be the rate established for the most recent period for the producer of the merchandise; and (4) if neither the exporter nor the producer is a firm covered in this review or the LTFV investigation, the cash deposit rate will continue to be 26.05 percent, which is the all-others rate established by Commerce in the LTFV investigation.<sup>6</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. **Notification to Interested Parties**

These results are being issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h) and 351.221(b)(5).
