

from the public on these negotiations and provides information on a hearing that will be conducted pursuant to the requirements of the Trade Act of 1974.

2. Public Comments and Testimony

To assist the Administration in pursuing these negotiations, the Chairman of the TPSC invites written comments and/or oral testimony of interested persons at a public hearing. Comments and testimony may address the reduction or elimination of tariffs or non-tariff barriers on any articles provided for in the Harmonized Tariff Schedule of the United States (HTSUS) that are products of the Dominican Republic, any concession which should be sought by the United States, or any other matter relevant to the proposed agreement.

The TPSC invites comments and testimony on all of these matters and, in particular, seeks comments and testimony addressed to:

(a) General and commodity-specific negotiating objectives for the proposed agreement.

(b) Economic costs and benefits to U.S. producers and consumers of removal of tariffs and non-tariff barriers to U.S.-Dominican Republic trade.

(c) Treatment of specific goods (described by Harmonized System tariff numbers) under the proposed agreement, including comments on

(1) Product-specific import or export interests or barriers,

(2) Experience with particular measures that should be addressed in the negotiations, and

(3) In the case of articles for which immediate elimination of tariffs is not appropriate, a recommended staging schedule for such elimination.

(d) Adequacy of existing customs measures to ensure Dominican Republic origin of imported goods, and appropriate rules of origin for goods entering the United States under the proposed agreement.

(e) Existing Dominican Republic sanitary and phytosanitary measures and technical barriers to trade.

(f) Existing barriers to trade in services between the United States and the Dominican Republic that should be addressed in the negotiations.

(g) Investment issues that should be addressed in the negotiations.

(h) Government procurement issues that should be addressed in the negotiations and other relevant issues.

Comments may address issues such as trade-related intellectual property rights, labor, and environment, noting that we expect to provide for essentially the same disciplines for the Dominican Republic that are negotiated with

CAFTA. Comments identifying present or potential trade barriers, laws or regulations that are not primarily trade-related should address the economic, political and social objectives of such regulations and the degree to which they discriminate against U.S. producers. At a later date, the USTR, through the TPSC, will publish notice of the U.S. environmental and employment impact reviews.

A hearing will be held on October 8, 2003, in Rooms 1 and 2, 1724 F Street, NW., Washington, DC. If necessary, the hearing will continue on subsequent days. Persons wishing to testify at the hearing must provide written notification of their intention by October 1, 2003. The notification should include: (1) The name, address, and telephone number of the person presenting the testimony; and (2) a short (one or two paragraph) summary of the presentation, including the subject matter and, as applicable, the product(s) (with HTSUS numbers), service sector(s), or other subjects to be discussed. A copy of the testimony must accompany the notification. Remarks at the hearing should be limited to no more than five minutes to allow for possible questions from the TPSC. Persons with mobility impairments who will need special assistance in gaining access to the hearing should contact the TPSC Executive Secretary.

Interested persons, including persons who participate in the hearing, may submit written comments by noon, November 2, 2003. Written comments may include rebuttal points demonstrating errors of fact or analysis not pointed out in the hearing. All written comments must state clearly the position taken, describe with particularity the supporting rationale, and be in English. The first page of written comments must specify the subject matter, including, as applicable, the product(s) (with HTSUS numbers), service sector(s), or other subjects.

3. Requirements for Submissions

In order to facilitate prompt processing of submissions, the Office of the United States Trade Representative strongly urges and prefers electronic (e-mail) submissions in response to this notice. In the event that an e-mail submission is impossible, submissions should be made by facsimile. Persons making submissions by e-mail should use the following subject line: "United States—Dominican Republic Free Trade Negotiations" followed by (as appropriate) "Notice of Intent to Testify," "Testimony," or "Written Comments."
