Scope of the Investigation

The scope of this investigation covers dried tart cherries, which may also be referred to as, e.g., dried sour cherries or dried red tart cherries. Dried tart cherries may be processed from any variety of tart cherries. Tart cherries are generally classified as *Prunus cerasus*. Types of tart cherries include, but are not limited to, Amarelle, Kutahya, Lutowka, Montmorency, Morello, and Oblacinska. Dried tart cherries are covered by the scope of this investigation regardless of the horticulture method through which the cherries were produced (e.g., organic or not), whether or not they contain any added sugar or other sweetening matter, whether or not they are coated in oil or rice flour, whether infused or not infused, and regardless of the infusion ingredients, including sugar, sucrose, fruit juice, and any other infusion ingredients. The scope includes partially rehydrated dried tart cherries that retain the character of dried fruit. The subject merchandise covers all shapes, sizes, and colors of dried tart cherries, whether pitted or unpitted, and whether whole, chopped, minced, crumbled, broken, or otherwise reduced in size. The scope covers dried tart cherries in all types of packaging, regardless of the size or packaging material.

Included in the scope of this investigation are dried tart cherries that otherwise meet the definition above that are packaged with non-subject products, including, but not limited to, mixtures of dried fruits and mixtures of dried fruits and nuts, where the smallest individual packaging unit of any such product contains a majority (i.e., 50 percent or more) of dried tart cherries by dry net weight. Only the dried tart cherry components of such products are covered by this investigation; the scope does not include the non-subject components of such products.

Included in the scope of this investigation are dried tart cherries that have been further processed in a third country, including but not limited to processing by stabilizing, preserving, sweetening, adding oil or syrup, coating, chopping, mincing, crumbling, packaging with non-subject products, or other packaging, or any other processing that would not otherwise remove the merchandise from the scope of the investigation if performed in the country of manufacture of the dried tart cherries.

Excluded from the scope of this investigation are dried tart cherries that have been incorporated as an ingredient in finished bakery and confectionary items (cakes, cookies, candy, granola bars, etc.).

The subject merchandise is currently classifiable under 0813.40.3000 of the Harmonized Tariff Schedule of the United States (HTSUS). The subject merchandise may also enter under subheadings 0813.40.9000, 0813.50.0020, 0813.50.0060, 2006.00.2000, 2006.00.5000, and 2008.60.0060. The HTSUS subheadings set forth above are provided for convenience and U.S. customs purposes only. The written description of the scope is dispositive.

Hardwood Plywood Products From the People's Republic of China: Rescission of Antidumping Duty New Shipper Review; 2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is rescinding the new shipper review of the antidumping duty order on hardwood plywood products from the People's Republic of China for the period January 1, 2019, through June 30, 2019, based on the timely withdrawal of the request for review.

DATES: Applicable September 27, 2019.

FOR FURTHER INFORMATION CONTACT: Jasun Moy, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401

Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-8194.

Background

On January 4, 2018, the Department of Commerce (Commerce) published the antidumping duty order on hardwood plywood products (plywood) from the People's Republic of China (China).¹ On July 30, 2019, Commerce received a timely new shipper review (NSR) request from Xuzhou Constant Forest Industry Co., Ltd. (Constant Forest), in accordance with section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(c).² On August 27, 2019, in accordance with section 751(a)(2)(B) of the Act, and 19 CFR 351.214(b), Commerce initiated a NSR of the antidumping duty order on plywood from China with respect to Constant Forest.³ On September 12, 2019, Constant Forest timely withdrew its request for a NSR.⁴

Rescission of Review

Pursuant to 19 CFR 351.214(f)(1), Commerce will rescind a NSR, in whole or in part, if the party that requested the review withdraws its request within 60 days of the publication date of the notice of initiation of the requested review. Constant Forest withdrew its request for review within the 60-day deadline. Because Commerce received no other requests for review of Constant Forest, we are rescinding the NSR covering the period January 1, 2019 through June 30, 2019, in full, in accordance with 19 CFR 351.214(f)(1). Consequently, we will continue to treat Constant Forest as part of the China-wide entity.

Assessment

Because we are rescinding the NSR of Constant Forest, we are not making a determination as to whether Constant Forest qualifies for a separate rate. Therefore, we will continue to treat Constant Forest a part of the China-wide entity and any entries covered by this NSR will be assessed at the China-wide rate. The China-wide entity is not under

review in the ongoing administrative review covering the 2016–2018 period of review, and therefore, Constant Forest is not under review in the concurrent administrative review.⁵ Accordingly, Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on entries of plywood from China during the period of review made by Constant Forest. For this company, antidumping duties shall be assessed at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers whose entries will be liquidated as a result of this rescission notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Act and 19 CFR 351.214(f)(3).
