ACTION: Notice of public meeting.

SUMMARY: The Pacific Fishery Management Council's (Council) Ad

Hoc Groundfish Multi-Year Management Committee (GMMC) will hold a work session, which is open to the public.

DATES: The GMMC will meet Thursday, December 13, 2001, from 1 p.m. until 5 p.m.; and Friday, December 14, 2001, from 8 a.m. until business for the day is completed.

ADDRESSES: The work session will be held at the Pacific Fishery Management Council, West Conference Room, 7700 NE Ambassador Place, Suite 200, Portland, OR 97220; 503-326-6352.

Council address:

FOR FURTHER INFORMATION CONTACT: Dan Waldeck or Don McIsaac, Pacific Fishery Management Council, 503-326-6352.

SUPPLEMENTARY INFORMATION: The formation of this ad hoc committee is in response to the Council's request for a committee to scope multi-year management approaches for the West Coast groundfish fishery. Multi-year management of the groundfish fishery would be synchronized with a multi-year groundfish stock assessment schedule. Full accommodation of federal notice and comment requirements would also be incorporated into the multi-year cycle. This is the first meeting of the committee, and the primary purpose of the meeting is to refine the purpose and objectives of multi-year management, as well as initiate scoping of alternative approaches.

Although nonemergency issues not contained in the GMMC meeting agenda may come before the GMMC for discussion, those issues may not be the subject of formal GMMC action during the meeting. GMMC action will be restricted to those issues specifically listed in this document and any issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the GMMC's intent to take final action to address the emergency.
