

registration on the New York Stock Exchange, Inc. ("NYSE").

The Board of Directors ("Board") of the Issuer unanimously approved resolutions on June 3, 2005, to withdraw the Security from listing and registration on NYSE. The Issuer stated the following reasons factored into the Board's decision to withdraw the Security from NYSE: (1) The fact that the Issuer has a limited number of security holders of record for the Security; (2) the limited volume of trading in the Security; and (3) the costs associated with maintaining the Issuer's status as a NYSE-listed Issuer, which obligations the Issuer could suspend immediately absent the listing of the Security. In this regard, the Board took into account that the Security had fewer than 25 holders of record.

The Issuer stated in its application that it has complied with NYSE's rules governing an issuer's voluntary withdrawal of a security from listing and registration by providing NYSE with the required documents governing the removal of securities from listing and registration on NYSE.

The Issuer's application relates solely to the withdrawal of the Securities from listing on the NYSE and from registration under Section 12(b) of the Act,³ and shall not affect its obligation to be registered under Section 12(g) of the Act.⁴
