SUPPLEMENTARY INFORMATION:**Introduction**

With this notice, we finalize the CCP process for Huron Wetland Management District, Madison Wetland Management District, Sand Lake Wetland Management District. We started this process through a notice in the **Federal Register** (73 FR 53439, September 16, 2008). We released the draft CCP and the EA to the public, announcing and requesting comments in a notice of availability in the **Federal Register** (76 FR 65525, October 21, 2011).

Huron Wetland Management District was established in 1992 encompassing lands that were previously under the management of both the Lake Andes and Sand Lake Wetland Management Districts. Madison Wetland Management District was established in 1969. Sand Lake Wetland Management District was established in 1961. These Districts lie in eastern South Dakota, within the highly productive Prairie Pothole region. These Districts are three of six existing Districts in South Dakota, and together manage more than 1.5 million acres of land within the 27-county planning area. A mosaic of primarily tallgrass and mixed-grass prairies dotted with many small lakes
