DATES: Comments are encouraged and will be accepted until September 1, 2021. This process is conducted in accordance with 5 CFR 1320.1.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

SUPPLEMENTARY INFORMATION: Explain the circumstances that make the collection of information necessary. Identify any legal or administrative requirements that necessitate the collection. Attach a copy of the appropriate section of each statute and regulation mandating or authorizing the collection of information.

It is the policy of the Government of the United States to provide equal opportunity in employment for all persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age, disability, protected genetic information, or status as a parent, and to promote the full realization of equal employment opportunity (EEO) through a continuing affirmative program in each agency.

Persons who claim to have been subjected to these types of discrimination, or to retaliation for opposing these types of discrimination or for participating in any stage of administrative or judicial proceedings relating to them, can seek a remedy under Title VII of the Civil Rights Act (Title VII) (42 U.S.C. 2000e *et seq.*) (race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin), the Age Discrimination in Employment Act (ADEA) (29 U.S.C. 621 *et seq.*) (age), the Equal Pay Act (29 U.S.C. 206(d)) (sex),

the Rehabilitation Act (29 U.S.C. 791 *et seq.*) (disability), the Genetic Information Nondiscrimination Act (GINA) (42 U.S.C. 2000ff *et seq.*) (genetic information), and Executive Order 11478 (as amended by Executive Orders 13087 and 13152) (sexual orientation or status as a parent).

The Department of Homeland Security (DHS), Office for Civil Rights and Civil Liberties (CRCL) adjudicates discrimination complaints filed by current and former DHS employees, as well as applicants for employment at DHS. The complaint adjudication process for statutory rights is outlined in the Equal Employment Opportunity Commission (EEOC) regulations found at Title 29, Code of Federal Regulations, Part 1614, and EEOC Management Directive 110. For complaints alleging discrimination prohibited by Executive Order 11478, DHS follows procedures similar to the procedures for statutory rights, to the extent permitted by law.

The recordkeeping provisions are designed to ensure that a current employee, former employee, or applicant for employment claiming to be aggrieved, or that person's attorney, provides a signed statement that is sufficiently precise to identify the aggrieved individual and the agency, and to describe generally the action(s) or practice(s) that form the basis of the complaint. The complaint must also contain a telephone number, email address, and address where the complainant or the representative can be contacted. The complaint form is used for original allegations of discrimination and for amendments to pending complaints of discrimination. The form also determines whether the person is willing to participate in mediation or other available types of alternative dispute resolution (ADR) to resolve the complaint; Congress has enacted legislation to encourage the use of ADR in the federal sector, and the form ensures that such an option is considered at this preliminary stage of the EEO complaint process.

A complainant may access the complaint form on the agency website and may submit a completed complaint form electronically to the relevant Component's EEO Office. The complaint form can then be directly uploaded into the DHS EEO Enterprise Complaints Tracking System, also known as "icomplaints."

The burden of compliance with the information collection requirement does not impact small businesses or other small entities.

The information collection frequency specified in the DHS complaint form is the minimum amount necessary and
