The DAB's Medicare Appeals Council (MAC) will issue a separate Privacy Act notice describing the system of records used by the MAC and its supporting component, the Medicare Operations Division, to docket, track, manage, and decide appeals and other matters before the MAC.

DATES: The DAB sent a report of the altered system to Congress and the Office of Management and Budget (OMB) on January 19, 2006. The altered system will be effective 40 days after the submittal of the report of new system to OMB or 30 days after publication of the notice, whichever is later, unless the DAB receives comments on the routine uses during that period.
