Stainless Steel Sheet and Strip in Coils from Mexico; Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Preliminary Results of Antidumping Duty Administrative Review.

SUMMARY: In response to requests from respondent ThyssenKrupp Mexinox S.A. de C.V. (Mexinox S.A.) and Mexinox USA, Inc. (Mexinox USA) (collectively, Mexinox) and petitioners,¹ the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on stainless steel sheet and strip in coils (S4 in coils) from Mexico. This administrative review covers imports of subject merchandise from Mexinox S.A. during the period July 1, 2004, to June 30, 2005.

We preliminarily determine that sales of S4 in coils from Mexico have been made below normal value (NV). If these preliminary results are adopted in our final results of administrative review, we will instruct United States Customs and Border Protection (CBP) to assess antidumping duties based on the difference between the constructed export price (CEP) and NV. Interested parties are invited to comment on these preliminary results. Parties who submit argument in these proceedings are requested to submit with the argument: (1) A statement of the issues, (2) a brief summary of the argument, and (3) a table of authorities.

EFFECTIVE DATE: June 21, 2006.

FOR FURTHER INFORMATION CONTACT:

Maryanne Burke or Robert James, AD/CVD Operations, Enforcement Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5604 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On July 27, 1999, the Department published in the **Federal Register** the *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order; Stainless Steel Sheet and Strip in Coils from Mexico*, 64 FR 40560 (July 27, 1999). On July 1, 2005, the Department published a notice entitled *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, covering *inter alia*, S4 in coils from Mexico for the period July 1, 2004, through June 30, 2005, 70 FR 38099 (July 1, 2005).

In accordance with 19 CFR 351.213(b)(1), Mexinox and petitioners requested that we conduct an

administrative review. On August 29, 2005, we published in the **Federal Register** a notice of initiation of this antidumping duty administrative review covering the period July 1, 2004, through June 30, 2005. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 70 FR 51009 (August 29, 2005).

On September 7, 2005, the Department issued an antidumping duty questionnaire to Mexinox. Mexinox submitted its response to section A of the questionnaire on September 29, 2005, and its response to sections B through E of the questionnaire on November 8, 2005. On January 27, 2006, the Department issued its first supplemental questionnaire² for sections A through C, as well as for section E, which pertains to an affiliated U.S. reseller, Ken-Mac Metals, Inc. (Ken-Mac). Mexinox responded to this first supplemental questionnaire on March 8, 2006. The Department also issued a supplemental questionnaire for section D on February 16, 2006, to which Mexinox submitted its response on March 21, 2006. On May 4, 2006, the Department issued a second supplemental questionnaire for sections A through C, and Mexinox filed its response on May 23, 2006.

Because it was not practicable to complete this review within the normal time frame, on March 10, 2006, we published in the **Federal Register** our notice of the extension of time limits for this review. *Stainless Steel Sheet and Strip in Coils from Mexico; Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 12343 (March 10, 2006). This extension established the deadline for these preliminary results as June 14, 2006.
