AGENCY: Federal Railroad Administration (FRA), Department of Transportation (DOT).

ACTION: Announcement of public hearing and extension of comment period.

SUMMARY: On January 16, 2024, FRA published a public notice announcing that on August 10, 2023, Georgia Central Railway, L.P. and Heart of Georgia Railroad, Inc. (Petitioners) submitted a request to FRA for approval of a test program, and the temporary suspension of certain FRA safety regulations in connection with that program (Program). In this notice, FRA is announcing a public hearing to allow interested persons the opportunity to provide comments on the petition. FRA is also announcing a 14-day extension of the comment period to allow time for interested parties to submit comments on the petition or in response to views or information provided at the public hearing.

DATES:

(1) A public hearing will be held on March 12, 2024, from 1 p.m. (ET) to 5 p.m. (ET) in Vidalia, GA, and through one or more internet links.

(2) Comments: FRA must receive comments on the petition, or in response to views or information provided at the public hearing, by April 1, 2024. FRA will consider comments received after that date to the extent practicable.

ADDRESSES:

Public Hearing: The public hearing will allow for participation in-person or virtually. For those participants that prefer to appear in person, the public hearing will be held at the Vidalia Community Center, 107 Old Airport Road, Vidalia, GA 30474. SUPPLEMENTARY INFORMATION: The purpose of this hearing is to receive comments in response to a petition for approval of a test program and the temporary suspension of certain FRA safety regulations in connection with that Program, including certain statutory requirements that would require FRA to exercise its authority under 49 U.S.C. 20306 to exempt the rail equipment involved from the requirements of 49 U.S.C. 20302. Petitioners should be present at the hearing and prepared to present evidence that any requirements of chapter 203, title 49, U.S.C., for which exemption is sought “preclude the development or implementation of more efficient railroad transportation.”

Interested parties are invited to present statements and to offer information and views at the hearing. The hearing will be an informal, non-adversarial proceeding conducted by a representative FRA designates under FRA’s Rules of Practice (49 CFR 211.25). Therefore, there will be no cross-examination of persons presenting statements or offering information. An FRA representative will make an

opening statement outlining the scope of the hearing. Interested parties will then be provided with an opportunity to make initial statements. After all initial statements are completed, those persons wishing to make a brief rebuttal will be given the opportunity to do so, in the same order in which the initial statements were made. FRA will announce any additional procedures necessary at the hearing.

There will be a court reporter to record and transcribe comments presented verbatim at the hearing. FRA will add the verbatim transcript of the discussions to the public docket in this proceeding.

Public Participation Procedures

Any person: (1) wishing to attend the hearing in person, (2) make a statement at the hearing either in-person or virtually, or (3) both, should notify FRA by contacting Ms. Shari Carney, Transportation Analyst, by email at shari.carney@dot.gov, no later than March 8, 2024, providing the following information, as applicable:

FRA also reserves the right to limit the duration of presentations, as necessary, to afford all persons the opportunity to speak, or to limit participation in the hearing of persons who exceed their allotted time or who discuss topics or issues outside the scope of the petition. Further, FRA reserves the right to limit in-person attendance at the hearing, as space is limited; preference in attendance will be provided to persons requesting to present statements in person.

FRA is committed to providing equal access to this meeting for all participants. If you need alternative formats or other reasonable accommodations to participate in this meeting, either in-person or virtually, please contact FRA Transportation Analyst Ms. Shari Carney, by email at shari.carney@dot.gov, no later than March 8, 2024.

Extension of Comment Period

FRA is extending the comment period by 14 days to April 1, 2024, to allow time for interested parties to submit written comments on the proposal or in response to views or information provided at the public hearing.
