Richloom Home Fashions Division of Richloom Fabrics Corporation Clinton, SC; Notice of Affirmative Determination Regarding Application for Reconsideration

By applications postmarked March 6, 2008, a petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers and former workers of the subject firm. The denial notice was signed on February 22, 2008 and

published in the **Federal Register** on March 7, 2008 (73 FR 12466).

The initial investigation resulted in a negative determination based on the finding that the worker group does not produce an article within the meaning of Section 222 of the Trade Act of 1974.

In the request for reconsideration, the petitioner provided additional information regarding the production of samples by the subject firm and requested that the Department conduct further investigation of the Sample Department.

The Department has carefully reviewed the request for reconsideration and the existing record and determined that the Department will conduct further investigation to determine if the Sample Department workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed in Washington, DC, this 27th day of March, 2008.

Elliott S. Kushner,

Certifying Officer, Division of Trade Adjustment Assistance.

SUPPLEMENTARY INFORMATION:

I. Background

Section 192 of the Workforce Investment Act (Pub. L. 105-220, August 7, 1998) permits States to apply for a workforce flexibility (Work-Flex) waiver authority to implement reforms to their workforce investment systems in exchange for program improvements. The Act provides that the Secretary may grant Work-Flex waiver authority for a period of up to five years pursuant to a Work-Flex Plan submitted by a State. Under Work-Flex, Governors are granted the authority to approve requests submitted by their local areas to waive certain statutory and regulatory provisions of WIA Title I programs. States may also request from the Secretary waivers of certain requirements of the Wagner-Peyser Act (Sections 8-10) and certain provisions of the Older Americans Act applicable to State agencies that administer the Senior Community Service Employment Program (SCSEP). The intent of the Work-Flex provision is to authorize States and Local Areas the operational flexibility they need to improve employment and training productivity for adult, dislocated, and youth populations.
