### Foreign-Trade Zones Board

[Docket 34-2011]

#### Foreign-Trade Zone 161—Sedgwick County, KS; Application for Reorganization/Expansion Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board

(the Board) by the Board of County Commissioners of Sedgwick County, grantee of FTZ 161, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the Board (74 FR 1170-1173, 01/12/09 (correction 74 FR 3987, 01/22/09); 75 FR 71069-71070, 11/22/10). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on May 17, 2011.

FTZ 161 was approved by the Board on September 8, 1989 (Board Order 438, 54 FR 39558, 09/27/89), and consists of the following sites: *Site 1* (279 acres)—Garvey Industrial Park, 5755 South Hoover Road, Wichita; and *Site 1A* (1.15 acres)—United Warehouse, 901 East 45th Street North, Wichita.

The grantee's proposed service area under the ASF would be Butler, Harvey, McPherson, Reno, Saline, Sedgwick and Sumner Counties, Kansas. If approved, the grantee would be able to serve sites throughout the service area based on

companies' needs for FTZ designation. The proposed service area is within and adjacent to the Wichita Customs and Border Protection port of entry.

*The applicant is requesting authority to reorganize its existing zone project under the ASF as follows:* Modify Site 1 by removing 119 acres due to changed circumstances (new acreage—160 acres); renumber Site 1A to Site 2; and Sites 1 and 2 would become "magnet" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 2 be so exempted. *The applicant is also requesting approval of the following initial "usage-driven" site: Proposed Site 3* (108.6 acres)—Siemens Energy, Inc., Wind Turbine Nacelle Assembly Facility, 1000 Commerce Street, Hutchinson (Reno County). Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 161's authorized subzones.

In accordance with the Board's regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the

address below. The closing period for their receipt is July 25, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 8, 2011.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>. For further information, contact Camille Evans at [Camille.Evans@trade.gov](mailto:Camille.Evans@trade.gov) or (202) 482-2350.

Dated: May 18, 2011.

#### **Certain Frozen Warmwater Shrimp From the People's Republic of China: Notice of Amended Final Determination of Sales at Less Than Fair Value Pursuant to Court Decision**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* May 24, 2011.

**FOR FURTHER INFORMATION CONTACT:** Javier Barrientos, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* 202-482-2243.

#### **Background**

This matter arose from a challenge to the results in the Department of Commerce's ("Department") *Notice of Final Determination of Sales at Less Than Fair Value: Certain Frozen and Canned Warmwater Shrimp from the People's Republic of China*, 69 FR 70997 (December 8, 2004) ("*Final Determination*") and *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp From the People's Republic of China*, 70 FR 5149 (February 1, 2005) ("*Amended Final Determination*"). Following publication of the *Amended*

*Final Determination*, respondents<sup>1</sup> Allied Pacific and Yelin, filed a lawsuit with the Court of International Trade ("CIT" or the "Court") challenging the Department's *Final Determination and Amended Final Determination*. At issue in the litigation were the Department's surrogate values for two inputs: raw, head-on, shell-on shrimp and hours of labor used in the production of the subject merchandise.

After two court ordered remands, the Department issued its second final results of redetermination on May 21, 2009. See *Allied Pacific Food (Dalian) Co. Ltd. v. United States*, 716 F. Supp. 2d 1339 (Ct. Int'l Trade 2010). In its second remand redetermination, the Department calculated new surrogate values for shrimp using ranged data from the Indian shrimp producer Devi Seafoods, Ltd. ("Devi") and adopted a new surrogate labor rate. *Id.* at 1342. Using these revised values, the Department determined revised antidumping duty margins of 5.07% ad-valorem for Allied Pacific and 8.45% ad-valorem for Yelin. *Id.*

No party appealed the CIT's decision. As there is now a final and conclusive court decision in this case, we are amending our final determination.

#### **Amended Final Determination**

As the litigation in this case has concluded, the Department is amending the *Final Determination* to reflect the results of our remand determination. *The revised dumping margins for the amended final determination are as follows:*

Manufacturer/exporter	Margin
Allied Pacific .....	5.07%
Yelin .....	8.45%

The PRC-wide rate continues to be 112.81 percent as determined in the Department's *Amended Final Determination*.

Both Allied Pacific and Yelin have received new cash deposit rates in subsequent reviews, so the rates listed above will not be applied as cash deposit rates for either company. Additionally, both Allied Pacific and Yelin obtained preliminary injunctions enjoining liquidation of all entries of subject merchandise during subsequent administrative review periods. Now that the litigation to which these injunctions

<sup>1</sup> Allied Pacific Food (Dalian) Co., Ltd., Allied Pacific (H.K.) Co., Ltd., King Royal Investments, Ltd., Allied Pacific Aquatic Products (Zhanjiang) Co., Ltd., and Allied Pacific Aquatic Products (Zhongshan) Co., Ltd. (collectively "Allied Pacific") and Yelin Enterprise Co. Hong Kong ("Yelin") are Chinese producers of subject shrimp that were respondents in the antidumping duty investigation.

pertained has been completed, the Department intends to issue instructions to U.S. Customs and Border Protection ("CBP") fifteen days after publication of this notice notifying CBP of the lifting of these injunctions and instructing CBP to liquidate all appropriate entries, not otherwise enjoined, at the applicable rates for each review period.

This notice is published in accordance with sections 735(d), 777(i), and 516A(a)(B) of the Tariff Act of 1930, as amended.

Dated: May 17, 2011.

Deputy Assistant Secretary for Import Administration.
