**SUPPLEMENTARY INFORMATION:** Under the PRA (44 U.S.C. 3501–3520), Federal agencies must obtain approval from OMB for each collection of information they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. The OCC asks that OMB extend its approval of the collection in this notice.

**Title:** Consumer Protections for Depository Institution Sales of Insurance.

**OMB Control No.:** 1557–0220.

**Type of Review:** Extension, without revision, of a currently approved collection.

**Description:** This information collection is required under section 305 of the Gramm-Leach-Bliley Act (GLB Act), 12 U.S.C. 1831x. Section 305 of the GLB Act requires the OCC, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation (collectively, the Agencies) to prescribe joint consumer protection regulations that apply to retail sales practices, solicitations, advertising, and offers of any insurance product by a depository institution or by other persons performing these activities at an office of the institution or on behalf of the institution (other covered persons). Section 305 also requires those performing such activities to disclose certain information to consumers (e.g., that insurance products and annuities are not FDIC-insured).

This information collection requires national banks, Federal savings associations, and other covered persons involved in insurance sales, as defined in 12 CFR 14.20(f), to make two separate disclosures to consumers. Under 12 CFR 14.40, a national bank, Federal savings association, or other covered person must prepare and provide orally and in writing: (1) certain insurance disclosures to consumers before the completion of the initial sale of an insurance product or annuity to a consumer and (2) certain credit disclosures at the time of application for the extension of credit (if insurance products or annuities are sold, solicited, advertised, or offered in connection with an extension of credit). The insurance disclosures are required in advertisements and promotional material for insurance products or annuities unless the advertisements and promotional materials are of a general nature describing or listing the services or products offered by the national bank or Federal savings association.

Consumers use the disclosures to understand the risks associated with insurance products and annuities and to understand that they are not required to purchase, and may refrain from purchasing, certain insurance products or annuities in order to qualify for an extension of credit.

**Affected Public:** Businesses or other for-profit.

**Frequency:** On occasion.

**Estimated Burden:**

**Estimated Number of Respondents:** 401.

**Total Estimated Burden Hours:** 2,005.

**Title:** Real Estate Lending and Appraisals.

**OMB Control No.:** 1557-0190.

**Type of Review:** Extension, without revision, of a currently approved collection.

**Description:** Twelve CFR parts 34 and 160 contain a number of reporting, recordkeeping, and disclosure requirements. Twelve CFR part 34, subpart B (Adjustable-Rate Mortgages (ARM)), subpart E (Other Real Estate Owned (OREO)) and part 160 (Lending and Investment) contain reporting requirements. Twelve CFR part 34, subpart C (Appraisal Requirements), subpart D (Real Estate Lending Standards), and part 160 contains recordkeeping requirements. Twelve CFR 190.4(h) contains a disclosure requirement concerning Federally-related residential manufactured housing loans.

Twelve CFR part 34, subpart B, § 34.22(a) and § 160.35 require that for ARM loans, the loan documentation must specify an index or combination of indices to which changes in the interest rate will be linked. Sections 34.22(b) and 160.35(d)(3) set forth the notice procedures for national banks and Federal savings associations to use when seeking to use an alternative index.

Twelve CFR 34.44 provides minimum standards for the performance of real estate appraisals, including the

requirement that appraisals be in writing and contain sufficient information and analysis to support the institution's decision to engage in the transaction.

Twelve CFR 34.62, 160.101, and the related appendices require each institution to adopt and maintain written policies that establish appropriate limits and standards for extensions of credit that are secured by liens on or interests in real estate, or that are made for the purpose of financing permanent improvements to real estate. The institution's board of directors must approve the real estate lending policies at least annually.

Twelve CFR 7.1024(d) requires that, after holding any real estate acquired for future bank expansion for one year, a national bank or Federal savings association must state, by resolution or other official action, its plans for the use of the property and make the resolution or other action available for inspection by examiners. Twelve CFR 34.85 requires national banks and Federal savings associations to develop prudent real estate collateral evaluation policies to monitor the value of each parcel of OREO in a manner consistent with prudent banking practice. Twelve CFR 34.85 establishes the appraisal requirements for OREO held by institutions, with reference to the appraisal requirements in 12 CFR 34, subpart C, "Appraisals."

Twelve CFR 34.85 requires national banks and Federal savings associations to obtain an appraisal or evaluation, as appropriate, to substantiate the market value of each parcel upon transfer to OREO. If the institution has a valid and compliant appraisal or evaluation that was previously obtained in connection with the underlying real estate loan, it does not need to obtain a new appraisal or evaluation to comply with these regulations.

Section 34.86 requires national banks and Federal savings associations to notify the appropriate supervisory office at least 30 days before making advances under a development or improvement plan for OREO if the total investment in the property will exceed 10 percent of the institution's capital and surplus.

Twelve CFR 190.4(h) requires that for Federally-related residential manufactured housing loans, a creditor must send a debtor a notice of default at least 30 days prior to any repossession, foreclosure, or acceleration of payments.
