OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket No. WTO/DS–365]

WTO Dispute Settlement Proceeding Regarding United States—Domestic Support and Export Credit Guarantees for Agricultural Products

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (“USTR”) is providing notice that Brazil has requested consultations with the United States under the Marrakesh Agreement Establishing the World Trade Organization (“WTO Agreement”) regarding U.S. domestic support measures and export credit guarantees for agricultural products. That request may be found at <http://www.wto.org> contained in a document designated as WT/DS365/1. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the consultations, comments should be submitted on or before September 14, 2007 to be assured of timely consideration by USTR.

ADDRESSES: Comments should be submitted (i) electronically, to FR0705@ustr.eop.gov, with “Agricultural Subsidies (Brazil) (DS365)” in the subject line, or (ii) by fax, to Sandy McKinzy at (202) 395–

3640. For documents sent by fax, USTR requests that the submitter provide a confirmation copy to the electronic mail address listed above.

FOR FURTHER INFORMATION CONTACT:

David Yocis, Assistant General Counsel, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC, (202) 395–6150.

SUPPLEMENTARY INFORMATION:

Section 127(b) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3537(b)(1)) requires that notice and opportunity for comment be provided after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. In an effort to provide additional opportunity for comment, USTR is providing notice that consultations have been requested pursuant to the WTO *Understanding on Rules and Procedures Governing the Settlement of Disputes* (“DSU”). If such a panel is established pursuant to the DSU, such panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations approximately nine months after it is established.

Major Issues Raised by Brazil

In its request for consultations, Brazil alleges that the United States has provided support to domestic agricultural producers in excess of U.S. commitments with respect to the Aggregate Measurement of Support (“AMS”) as described in Article 6.2 of the WTO *Agreement on Agriculture* and the U.S. WTO schedule of commitments. According to Brazil, the United States has provided domestic support in excess of its AMS commitments in each of the years 1999, 2000, 2001, 2002, 2004, and 2005, in breach of Article 3.2 of the WTO *Agreement on Agriculture*. In addition, Brazil alleges that U.S. export credit guarantees under the GSM–102 program and the Supplier Credit Guarantee Program in respect of all agricultural products, whether or not included in the U.S. WTO schedule of agricultural export subsidy commitments, are export subsidies prohibited under Articles 3.1(a) and 3.2 of the WTO *Agreement on Subsidies and Countervailing Measures* and provided in violation of Articles 3.3, 8, 9.1 and 10.1 of the WTO *Agreement on Agriculture*.
