April 23, 2009.

On February 11, 2009, Hydrodynamics, Inc. filed an application for a preliminary permit, pursuant to section 4(f) of the Federal Power Act, proposing to study the feasibility of the Tongue River Reservoir Hydroelectric Project, which would be located at the existing Tongue River Reservoir dam on the Tongue River near the town of Decker in Bighorn County, Montana. The sole purpose of a preliminary permit, if issued, is to grant the permit holder priority to file a license application during the permit term.
