

The submission deadline is July 8, 2022. USTR strongly encourages commenters to make online submissions, using *Regulations.gov*. To submit comments via *Regulations.gov*, enter docket number USTR–2022–0005 on the home page and click ‘search.’ The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice and click on the link entitled ‘Comment Now’ For further information on using *Regulations.gov*, please consult the resources provided on the website by clicking on ‘How to Use This Site’ on the left side of the home page.

Regulations.gov allows users to submit comments by filling in a ‘type comment’ field, or by attaching a document using an ‘upload file’ field. USTR prefers that you provide comments in an attached document. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If you use an application other than those two, please indicate the name of the application in the ‘type comment’ field.

Filers submitting comments containing no business confidential information (BCI) should name their file using the name of the person or entity submitting the comments. For any comments submitted electronically containing BCI, the file name of the business confidential version should begin with the characters ‘BCI.’ Clearly mark any page containing BCI with ‘BUSINESS CONFIDENTIAL’ on the top of that page. Filers of submissions containing BCI also must submit a public version of their comments that USTR will place in the docket for public inspection. The file name of the public version should begin with the character ‘P.’ Follow the ‘BCI’ and ‘P’ with the name of the person or entity submitting the comments.

Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the comments themselves. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments in the same file as the submission itself, not as separate files.

As noted, USTR strongly urges that you file comments through *Regulations.gov*. You must make any alternative arrangements with Spencer Smith at *Spencer.L.Smith2@ustr.eop.gov* or (202) 395–2974 before transmitting a comment and in advance of the deadline.

USTR will post comments in the docket for public inspection, except properly designated BCI. You can view comments on the *Regulations.gov* by entering docket number USTR–2022–

0005 in the search field on the home page. General information concerning USTR is available at <https://www.ustr.gov>.

Petition for Exemption

Docket No.: FAA–2022–0114.

Petitioner: Federal Express Corporation.

Section(s) of 14 CFR Affected: §§ 121.1105(b)(1), 121.1105(b)(2), and 121.1105(b)(3).

Description of Relief Sought: Federal Express Corporation (FedEx) is requesting an exemption for the 757 fleet to 14 CFR 121.1105(b)(1), (2), and (3) to extend the interval for aging aircraft inspection and records review from the current requirement of seven years to an interval of eight years. FedEx operates the 757 fleet at low utilization rates, and the ability to extend the reviews to eight years (when the airplane undergoes a thorough and extensive maintenance visit) supports more comprehensive inspections of repairs and alterations of the aircraft structure.
