DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

Quarterly IRS Interest Rates Used in Calculating Interest on Overdue Accounts and Refunds on Customs Duties

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: General notice.

SUMMARY: This notice advises the public that the quarterly Internal Revenue Service interest rates used to calculate interest on overdue accounts (underpayments) and refunds (overpayments) of customs duties will remain the same from the previous quarter. For the calendar quarter beginning April 1, 2021, the interest

rates for overpayments will be 2 percent for corporations and 3 percent for non-corporations, and the interest rate for underpayments will be 3 percent for both corporations and non-corporations. This notice is published for the convenience of the importing public and U.S. Customs and Border Protection personnel.

DATES: The rates announced in this notice are applicable as of April 1, 2021.

FOR FURTHER INFORMATION CONTACT: Bruce Ingalls, Revenue Division, Collection Refunds & Analysis Branch, 6650 Telecom Drive, Suite #100, Indianapolis, Indiana 46278; telephone (317) 298-1107.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to 19 U.S.C. 1505 and Treasury Decision 85-93, published in the **Federal Register** on May 29, 1985 (50 FR 21832), the interest rate paid on applicable overpayments or

underpayments of customs duties must be in accordance with the Internal Revenue Code rate established under 26 U.S.C. 6621 and 6622. Section 6621 provides different interest rates applicable to overpayments: one for corporations and one for non-corporations.

The interest rates are based on the Federal short-term rate and determined by the Internal Revenue Service (IRS) on behalf of the Secretary of the Treasury on a quarterly basis. The rates effective for a quarter are determined during the first-month period of the previous quarter.

In Revenue Ruling 2021-06, the IRS determined the rates of interest for the calendar quarter beginning April 1, 2021, and ending on June 30, 2021. The interest rate paid to the Treasury for underpayments will be the Federal short-term rate (0%) plus three percentage points (3%) for a total of three percent (3%) for both corporations

and non-corporations. For corporate overpayments, the rate is the Federal short-term rate (0%) plus two percentage points (2%) for a total of two percent (2%). For overpayments made by non-corporations, the rate is the Federal short-term rate (0%) plus three percentage points (3%) for a total of three percent (3%). These interest rates used to calculate interest on overdue accounts (underpayments) and refunds (overpayments) of customs duties remain the same from the previous quarter. These interest rates are subject to change for the calendar quarter beginning July 1, 2021, and ending on September 30, 2021.

For the convenience of the importing public and U.S. Customs and Border Protection personnel, the following list of IRS interest rates used, covering the period from July of 1974 to date, to calculate interest on overdue accounts and refunds of customs duties, is published in summary format.

Beginning date	Ending date	Under-payments (percent)	Over-payments (percent)	Corporate overpayments (Eff. 1-1-99) (percent)

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

[212A2100DD/AAKC001030/A0A501010.999900253G]

Notice of Intent To Prepare an Environmental Impact Statement for the Chuckwalla Solar Projects on the Moapa River Indian Reservation, Clark County, Nevada

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of intent to prepare an environmental impact statement.

SUMMARY: The Bureau of Indian Affairs (BIA), as lead agency in cooperation with the Moapa Band of Paiute Indians (Moapa Band), Bureau of Land Management (BLM), and other agencies, intend to prepare an Environmental Impact Statement (EIS) that will evaluate the development of the Chuckwalla Solar Projects (Projects) on Moapa River Indian Reservation (Reservation) tribal lands. This notice announces the beginning of the scoping process to solicit public comments and identify potential issues related to the EIS. The BIA requests comments concerning the scope of the analysis, and identification of relevant information, studies, and analyses. It also announces that two public scoping meetings will be held virtually or in person to identify potential issues, alternatives, and mitigation to be considered in the EIS.

DATES: All comments must be received by May 3, 2021. The draft environmental impact statement is scheduled for October 2021 and the final environmental impact statement is scheduled for January 2022 with a Record of Decision in March 2022.

ADDRESSES: Send written comments to Mr. Chip Lewis, BIA Western Regional Office, 2600 North Central Avenue, 4th Floor Mailroom, Phoenix, Arizona 85004. Comments may also be sent via email to *Chip.Lewis@bia.gov* or on the Projects website at *www.ChuckwallaSolarProjectsEIS.com*.

FOR FURTHER INFORMATION CONTACT: Chip Lewis, BIA; telephone: (602) 379–6750; email: *Chip.Lewis@bia.gov*. Individuals who use telecommunication devices for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 between 8 a.m. and 8 p.m., Eastern Time, Monday through Friday.

SUPPLEMENTARY INFORMATION:

Purpose and Need of the Proposed Action

The proposed Federal action, taken under 25 U.S.C. 415, is BIA’s approval of the solar energy ground lease and related agreements entered into by the Moapa Band with EDF Renewables Development, Inc. (EDFR or Applicant). The agreements provide for construction, operation and maintenance (O&M), and decommissioning of up to 700 megawatts (MWs) from up to four solar photovoltaic (PV) electricity generation facilities located entirely on the Reservation and specifically on lands held in trust by the United States for the Moapa Band.

In addition, two transmission generation interconnection (gen-tie) lines would be constructed to interconnect the Projects to the regional

electrical grid. Portions of these lines would cross lands managed by BLM within a designated utility corridor on the Reservation and BLM land. The BIA and BLM would approve rights-of-way (ROWs) authorizing the construction and operation of the transmission lines.

The purposes of the proposed Projects are, among other things, to: (1) Help to provide a long-term, diverse, and viable economic revenue base and job opportunities for the Moapa Band; (2) meet the terms of the existing Power Purchase Agreements (PPAs) for the output of the Projects; (3) help Nevada and neighboring states to meet their State renewable energy needs; and (4) allow the Moapa Band, in partnership with the Applicant, to optimize the use of the lease site while maximizing the potential economic benefit to the Tribe.

Preliminary Proposed Action and Alternatives

The Applicant plans to develop up to four solar projects collectively referred to as the Projects on the Reservation in Clark County, Nevada. The four solar projects would total up to 700 MWs of solar energy generation, each using photovoltaic (PV) technology and incorporating battery energy storage systems (BESS).

The proposed Chuckwalla solar generating facilities would be constructed entirely within the Reservation within a lease study area of approximately 6,400 acres of tribal trust land. These lands are in the southeast corner of the Reservation on lands set aside by the Moapa Band for the Projects. The solar fields and associated facilities would be in Sections 13, 14, 22, 23, 24, 25, 26, 27, 34, 35, and 36; Township 16 South, Range 65 East; Mount Diablo Base Meridian.

Major components of each solar site would include multiple blocks of solar
