SUPPLEMENTARY INFORMATION:

Background

Temporary regulations in the Rules and Regulations section of this issue of the **Federal Register** amend the Income Tax Regulations (26 CFR part 1) under sections 6107 and 6695 of the Internal Revenue Code. The temporary regulations eliminate the references to manually signed returns in the regulations under section 6695. In addition, they provide that the Commissioner may prescribe, in forms, instructions, or other appropriate guidance, the manner in which preparers may satisfy their obligations under section 6107 to furnish returns to

taxpayers and to retain copies of returns.

The text of those temporary regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to this regulation and, because the regulation does not impose a collection of information on small entities, that the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Internal Revenue Code, this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Requests for a Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments, either electronically or on paper (a signed original and 8 copies), that are timely submitted to the IRS. The IRS and Treasury Department specifically request comments on the clarity of the proposed regulations and how they can be made easier to understand. All comments will be available for public inspection and copying. A public hearing may be scheduled if requested in writing by any person who timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the hearing will be published in the **Federal Register**.

Drafting Information

The principal author of this regulation is Richard Charles Grosenick, Office of Assistant Chief Counsel (Administrative Provisions & Judicial Practice). However, other personnel from the IRS and the Treasury Department participated in its development.

SUPPLEMENTARY INFORMATION:

Background

On October 30, 2002, TTB (part of the Bureau of Alcohol, Tobacco and Firearms (ATF) at that time) published two notices of proposed rulemaking (Notice No. 960, 67 FR 66079 and Notice No. 961, 67 FR 66083) to establish Red Hill (Oregon) and Red Hills (California) as American viticultural areas, respectively. The comment period ended on December 30, 2002. Before the close of the comment period, TTB received a request from Mr. Sean Carlton, of Archery Summit, a winery in Dayton, Oregon, to extend the comment period for an additional 60 days. Mr. Carlton requested the extension to allow more time to study the petitions and research the respective areas. The new comment period opened on January 16, 2003, and closed on March 17, 2003.

On March 17, 2003, TTB received a request to extend the comment period for an additional 60 days. Mr. Jess Lyon, of Davis Wright Tremaine, LLP, made this request in order to make a full assessment of the Red Hill petition. Mr. Lyon stated that he did not receive the petitioner's material in a timely manner.

In consideration of the above, TTB reopens the comment period for an additional 30 days. By the time this document is published in the **Federal Register**, the new closing date will be in
