[CFDA No.: 93.566, Refugee Assistance—State Administered Programs]

Refugee Resettlement Program: Proposed Notice of Allocations to States of FY 2003 Funds for Refugee Social Services

AGENCY: Office of Refugee Resettlement (ORR), ACF, HHS.

ACTION: Proposed notice of allocations to States of FY 2003 funds for refugee social services.

SUMMARY: This notice establishes the proposed allocations to States of FY 2003 funds for refugee¹ social services under the Refugee Resettlement Program (RRP). In the final notice, amounts could be adjusted slightly based upon final adjustments in FY 2002 arrivals in some States.

This notice includes \$2 million in a set-aside allocation to support programs promoting marriage education, relationship enhancement, divorce reduction activities, or other activities that promote and sustain healthy marriages. Unlike the FY 2002 healthy families' set-aside that provided for a wide-range of activities to enhance families, the FY 2003 set-aside is available for helping refugee couples who choose marriage for themselves to develop the skills and knowledge to develop and sustain healthy marriages. These set-aside funds are for married and non-married refugee couples, where appropriate.

DATES: Comments on this notice must be received by August 20, 2003.

ADDRESSES: Address written comments, in duplicate, to: Kathy Do, Division of Budget, Policy, and Data Analysis

¹ Eligibility for refugee social services include refugees, asylees, Cuban and Haitian entrants, certain Amerasians from Viet Nam who are admitted to the U.S. as immigrants, certain Amerasians from Viet Nam who are U.S. citizens, (45 CFR 400.43), and victims of a severe form of trafficking who receive certification or eligibility letters from ORR. (ORR State Letter #01-13 on the Trafficking Victims Protection Act, dated May 3, 2001). The term "refugee," used in this notice for convenience, is intended to encompass such additional persons who are eligible to participate in refugee program services.

SUPPLEMENTARY INFORMATION:

I. Amounts for Allocation

The Office of Refugee Resettlement (ORR) has available \$ 150,138,714 in FY 2003 refugee social service funds as part of the FY 2003 Department of Health and Human Services Appropriations Act, Title II of Division G of the Consolidated Appropriations Resolution FY 2003, Pub. L. 108-7.

The FY 2003 Conference Report (Pub. L. 108-10) reads as follows with respect to social services funds:

The conference agreement appropriates \$446,724,000 as proposed by H.R. 246 instead of \$442,724,000 as proposed by the Senate. Within this amount, \$151,121,000 is provided for Social Services, as proposed in H.R. 246. The Senate bill included \$147,121,000 for this purpose.

The conferees recognize the importance of continued educational support to schools with a significant proportion of refugee children, consistent with previous support to schools heavily impacted by large concentrations of refugees, and urges the Office of Refugee Resettlement to support these efforts should funding become available in the Social Services or other accounts.

The agreement also includes \$19,000,000 for increased support to communities with large concentrations of refugees whose cultural differences make assimilation especially difficult justifying a more intense level and longer duration of Federal assistance.

After the conference agreement, a further .65 percent reduction was imposed before enactment, reducing the amount for social services to \$150,138,714.

ORR proposes to use the \$150,138,714 appropriated for FY 2003 social services as follows:

- \$71,092,907 will be allocated under the 3-year population formula, as set forth in this notice for the purpose of providing employment services and other needed services to refugees.
- \$12,545,807 will be awarded as new and continuation social service discretionary grants under new and prior year competitive grant announcements issued separately from this notice.
- \$19,000,000 will be awarded to serve communities most heavily affected by recent Cuban and Haitian
