Notes: (1) A nomination for the Hopewell Ceremonial Earthworks was authorized for preparation in May 2018 by the Department of the Interior and is now under development. (2) The Department has requested and is now awaiting advice from the International Council on Monuments and Sites (ICOMOS) on adding other properties to the proposal for the Civil Rights Movement Sites and its overall justification. (3) The government of the German state of Saxony is proposing an extension to the World Heritage listing of Christiansfeld, a Moravian Church Settlement in Denmark, that would include Herrnhut in Germany, the Moravian Bethlehem District in Bethlehem, Pennsylvania, and potentially other historic Moravian settlements in other countries.

Request for Public Comments

Comments on whether to authorize the preparation of a World Heritage nomination for any of the properties on the Tentative List should address the readiness and ability of the property owner(s) to prepare a satisfactory nomination document. Suggestions for additions to the Tentative List not previously submitted must address: (i) How the property(ies) would meet the World Heritage nomination criteria, requirements for authenticity, integrity, legal protection and management. Information on these criteria and requirements can be found on the website noted in the **FOR FURTHER INFORMATION CONTACT** section of this notice; and (ii) The U.S. legal prerequisites that include the agreement of all property owners to the nomination of their property, an official determination that the property is nationally significant (such as by designation as a National Historic or National Natural Landmark), and effective legal protection. All previous suggestions for the Tentative List made during previous comment periods or otherwise submitted since 2008, have been retained and considered and should not be resubmitted at this time.

Selection and Nomination

All public comments will be summarized and provided to Department of the Interior officials, who will obtain the advice of the Federal Interagency Panel for World Heritage before making any selection of properties for authorization to prepare a

World Heritage nomination. The selection may include relevant factors, such as the likelihood of being able to complete a satisfactory nomination, and the fact that the United States is currently prohibited by law from providing any funding to UNESCO, including UNESCO and World Heritage member dues. Once authorized, the property owners may prepare a draft nomination.

The Department does not have a fixed schedule for completing or submitting World Heritage nominations. No more than one nomination from any country may be submitted per year, per the UNESCO World Heritage *Operational Guidelines*. Completed nominations, if approved by the Department for submission, may be submitted to the UNESCO World Heritage Centre by February 1 of any year.

Public Availability of Comments

All comments will be a matter of public record. Before including an address, phone number, email address, or other personal identifying information in a comment, members of the public should be aware that the entire comment—including personal identifying information—may be made public at any time. While commenters can request that personal identifying information be withheld from public review, it may not be possible to comply with this request.
