

application or one that does not meet the eligibility requirements will be declined without further consideration.

## 2. Evaluation Criteria

The evaluation criteria is fully described in 12 CFR 705.7(c). The NCUA will evaluate each application on accordance with the criteria described in the regulation, this NOFO and program guidelines: Financial performance, compatibility, feasibility, and examination information and applicable concurrence. Each initiative, due to its structure and impact, have varying degrees of evaluation criteria assigned which are reflected in the guidelines for credit union's information.

## 3. Application Review

The purpose of the application review is to determine whether the NCUA should support and fund the loan request. During this phase of the review, the NCUA reviews the credit union's prior financial and operational performance, the collateral offered to securitize the loan (if applicable), and its longevity in operation. The NCUA reserves the right to contact the Applicant during its review for the purpose of clarifying or confirming information contained in the application. If so contacted, the Applicant must respond within the time specified by the NCUA or the NCUA, in its sole discretion, may decline the application without further consideration.

## 4. Examination Information and Applicable Concurrence

The NCUA will not approve an award to a credit union for which it's NCUA regional examining office or SSA, if applicable, indicates it has safety and soundness concerns. If the NCUA regional office or SSA identifies a safety and soundness concern, the NCUA, in conjunction with the regional office or SSA, will assess whether the condition of the Applicant is adequate to undertake the activities for which funding is requested, and the obligations of the loan and its conditions. The NCUA, in its sole discretion, may defer decision on funding an application until the credit union's safety and soundness conditions improve.

## 5. Funding Selection

The NCUA will make its funding selections based on a consistent scoring tier for each Applicant. The NCUA will consider the impact of the funding. In addition, the NCUA may consider the

geographic diversity of the Applicants in its funding decisions.

## F. Federal Award Administration

### 1. Federal Award Notice

The NCUA will notify each Applicant of its funding decision by email. Applicants that are approved for funding will also receive instructions on how to proceed with disbursement of the award.

### 2. Administrative and National Policy Requirements

i. *Loan Agreement*: Each Participating Credit Union under this NOFO must enter into an agreement with the NCUA before the NCUA will disburse the award funds. The agreement documents include, for example, a promissory note, loan agreement, repayment schedule, and security agreement (if applicable). The agreement will include the terms and conditions of funding, including but not limited to the: (i) Award amount; (ii) interest rate; (iii) repayment requirements; (iv) accounting treatment; (v) impact measures; and (vi) reporting requirements.

ii. *Failure to Sign Agreement*: The NCUA, in its sole discretion, may rescind an award if the Applicant fails to sign and return the agreement or any other requested documentation, within the time specified by the NCUA.

iii. *Multiple Disbursements*: The NCUA may determine, in its sole discretion, to fund a loan in multiple disbursements. In such cases, the process for disbursement will be specified by the NCUA in the loan agreement.

### 3. Reporting

The reporting requirements are more fully described in 12 CFR 705.9. Annually, each Participating Credit Union will submit a report to the NCUA. The report will address the Participating Credit Union's use of the loan funds; the impact of funding; and explanation of any failure to meet objectives for use of proceeds, outcome, or impact. The NCUA, in its sole discretion, may modify these requirements. However, such reporting requirements will be modified only after notice to affected credit unions.

i. *Report Form*: Applicable credit unions will be notified regarding the submission of the report form. A Participating Credit Union is responsible for timely and complete submission of the report. The NCUA will use such information to monitor each Participating Credit Union's compliance with the requirements of its loan agreement and to assess the impact of the CDRLF loan.
