SUPPLEMENTARY INFORMATION:

A. Background

GSA regulations initially published in the **Federal Register** June 6, 2002 (67 FR 38899) require that all payments to the United States Postal Service must be made using commercial payment processes, not OMAS (Official Mail Accounting System). The initial conversion date of October 1, 2003, was subsequently changed to December 31, 2003 by amendment in the **Federal Register** on September 29, 2003 (68 FR 56112). If agencies did not convert by that date, they were required to submit a deviation request for an extension. If granted, the deviations could last for no longer than a two-year period per internal GSA policy, at which time agencies had to request another deviation.

FMR Bulletin G-01 was published in the **Federal Register** on May 13, 2008 (73 FR 27540) with an effective date of April 11, 2008, until April 13, 2009.

FMR Bulletin G-02 extends the provisions of FMR Bulletin G-01 until April 13, 2010. GSA Bulletin FMR G-02 and all FMR bulletins may be found at <http://www.gsa.gov/fmrbulletin>.

Proposed Project: Evaluation of the Parents Speak Up National Campaign (PSUNC): Parent Web site Survey. OMB No. 0990-NEW—Office of Public Health and Science, Office of Population Affairs, Office of Adolescent Pregnancy Programs.

Abstract: The data collection will take place once, over two months, in the Fall 2009. The survey will take 30 minutes, including time spent visiting a Web site. Parents will self-administer the questionnaire at home on personal computers. The study is being conducted by Research Triangle Institute; its subcontractor, Harris Interactive, will conduct the online survey. Harris Interactive will select 100 mothers of each of four groups of children: boys 10-12 and 13-14, and girls 10-12 and 13-14 (for a total of 400 mothers), and 100 fathers of the same four groups of children (for a total of 400 fathers).
